In no case shall the Pawnee County Fair or any of its officers be held responsible for damages in any loss, damage, injury, death, or disability by disease or from theft or from any other cause to any such property, or to any person at the Pawnee County Fairgrounds. The Pawnee County Fair hereby refuses to assume any responsibility for the safety as bailee or otherwise, of any property brought upon the Pawnee County Fairgrounds, said property being brought upon and kept upon said grounds at owner’s risk.

The management reserves the right to exclude from the grounds any person or persons whom they deem undesirable, or expel from the grounds such person or Pawnee County Fair Board officials shall have full power to interpret and to make or amend these rules. Whenever these rules do not cover, the Fair officials reserve the right to make such rulings as may appear to be in the best interest of Show and the exhibitor agrees to accept and abide such rulings.
COPYRIGHT LAWS

Exhibitors should avoid using copyrighted materials whenever possible by originating his/her own work. Exhibitors should use with caution a copyrighted and/or trademarked product or service (a brand name, label, or product). The intent of using the copyright or trademark materials for educational purposes such as an exhibit, educational poster/display, or public presentation, is acceptable under the “Fair Use” (legal use) provision. “Fair Use” is a provision of the current copyright law that allows reproduction without payment or permission of limited portions of a copyrighted work for educational and other public interest purposes. Regardless of the “Fair Use” provision, the inference that a specific name brand product is good or bad inherently or through comparison must be done cautiously, using acceptable research/comparison methods and have a disclaimer that the conclusions are those of the participant and not those of K-State Research and Extension. A copyright and trademark are legal methods used by writers, artists, corporations, and others to protect their original work. Protected items may range from books to music, logos to computer graphics. Copyrighted and/or trademarked materials used in banners, displays, demonstrations, posters, or other activities for endorsement or promotion instead of educational purposes will be disqualified and will not be displayed or receive ribbons or premium. The use and inclusion of specific brand names for educational purposes does not imply endorsement or refusal by the Department of 4-H Youth Development, Kansas State University Agriculture Experiment Station and Cooperative Extension Service, or the State of Kansas.

## COMMERCIAL EXHIBITS
Exhibitor,

The 2019 Pawnee County Fair Association is now excepting reservations for the commercial exhibit display space for the 2019 Pawnee County Fair. Reservation forms, on the website, need to be completed and returned to reserve your space. To secure your space, payment must be returned with the reservation form. Electricity fees must be paid by the day, or at Fair closing, based on number of days at location, or in advance, if you know you will be at the Fair during **ALL** days of the Fair. Confirmation and guidelines shall be sent upon receipt of the reservation.

Fair exhibitors are asked to set up on Wednesday, July 24, from 4:00-8:00 p.m. Show hours will be 9:00 a.m. to 9:00 p.m. daily through 3:00 p.m., Saturday, July 27. These times are flexible with permission of Fair Officials.

Send reservations to the Pawnee County Fair Association, 715 Broadway, Room 6, Larned, KS 67550; or call (620) 285-6901.

### Commercial Exhibit Guidelines

**Inside Booth Construction**

Commercial exhibits will either be an outside booth, or in the perimeter of the Community Center, or Exhibit Building. Please specify your preference when reserving a booth area. Booths will accommodate an eight (8) foot table.
and normal height restriction of eight (8) feet, unless prior written approval has been obtained from Fair Officials. All signs must be done in a professional manner. Any exhibitor having signs which detract from overall dignity of show will be asked to remove said signs from booth. Custom built displays are desired and more effective because of their eye appeal. The Fair Officials reserve the right to reject any exhibit, or part thereof, which is not in keeping with the character and spirit of the show. Tables are furnished.

**Outside Booth Construction**

Outside booths are 25’ x 40’. There are no height restrictions on outside exhibits. All signs must be done in a professional manner. Any exhibitor having signs that detract from overall dignity of the show will be asked to remove said signs from the booth. The Fair Officials reserve the right to reject any exhibit, or part thereof, which is not in keeping with the character of the show.

**Installation**

The installation of exhibits begins at 4:00 p.m., Wednesday, July 24, and completed by 8:00 p.m. same day. If additional time is necessary than what is allotted, contact Show Officials.

**Sound Equipment**

Loud speakers, radios, television sets, or the operation of any machinery or equipment which has sufficient volume to be annoying to neighboring exhibitors will not be permitted. Public address systems used to attract attention of people passing in front of any booth will be prohibited.

**Combustible Materials** — Pertains to inside exhibits only.

Combustible oils, gasses, or charcoal cannot be used. All flammable material must be fire-proofed.

**Selling of Products in Booth**

Retail selling of products over the counter on a carry out basis must have prior written approval. Orders may be taken for merchandise or services to be delivered or rendered at a future date. Selling activity must be confined to limits of assigned booth space(s).

**Distribution of Literature and Souvenirs**

Printing, advertising, souvenirs, etc., may be distributed by exhibitors from their space only. Any souvenir or advertising that is of any objectionable or undignified character will not be permitted. All such gifts are subject to the approval of the Fair Show Officials.

**Care of Exhibit Space**

It is Exhibitors’ responsibility to police and clean up their own exhibit booths. All exhibits must remain intact until 3:00 p.m., Saturday, July 27. This time is flexible with Fair Officials’ permission. Props and properties cannot be removed before that time without permission from the Show by maintaining their exhibits throughout the exhibition in perfect condition. Written permission is to be obtained if there is to be any masonry construction.

**Sub-letting Space**

An exhibitor shall not assign, sublet, or apportion the whole on any part of the space allotted to him, nor exhibit therein any other goods, apparatus, service advertising signs, etc., other than those manufactured or sold by the exhibitors in the regular course of his business, without consent of the Fair Officials. When it was necessary to use the equipment of another manufacturer, distributor, or dealer whose equipment should be displayed separately, then no advertising of that equipment may be in evidence.
Unoccupied Space
If an exhibitor fails to occupy space contracted for, or fails to comply in any other respect with the terms of the fair agreement, the Fair Officials have the right to rent such space to any other applicant without releasing the exhibitor from paying the sum agreed upon in the contract.

Educational Exhibits
Educational Exhibits will be allowed free of charge. However, very limited space is available. You must fill out the entry form on the website to reserve space. Location will be decided by Fair Officials. No selling of products will be allowed. If you wish to sell products, you must have prior approval and the same rules will apply as to Commercial Exhibits.

Eventualities
In the case of fire, other elements, or by any other cause, or in case of any other circumstances shall make it impossible for the Fair Officials to permit the contracted space to be occupied by the exhibitor, the fair contract shall terminate and the exhibitors shall waive any claim for damages or compensation.

Liability
The Fair Board, commercial exhibit committee, nor any members of any fair committee or their representatives, will be responsible for any injury, loss, or damage that may occur to the exhibitor, or to the exhibitor’s employees or property from any cause whatsoever, prior, during, or subsequent to the period covered by the fair contract, and the exhibitor on signing contract expressly releases the foregoing named organization, individuals, representatives, committee, and officials from any or all claims for such loss, damage, and injury. Watchmen will patrol booths at night giving ordinary care. It is a provision of this contract that all exhibitors have public and property liability to protect themselves.

Security
Fairgrounds will be put on night police watch patrol by and through Larned Police Department and Pawnee County Sheriff’s Office.

OPEN CLASS DEPARTMENTS

OPEN CLASS RULES & REGULATIONS

1. Read General Fair Information.
2. Competition is open to Kansas residents only, unless otherwise stipulated in department rules. ENTRY MUST BE YOUR OWN WORK. A person may exhibit the same item only one time at the Fair.
3. Competition at the Pawnee County Fair is governed by rules in each department.
4. If you are entering livestock, please read the Open Class Livestock General Regulations also.
5. All exhibits, except livestock, must be entered from 11:00 a.m. to 12:30 p.m., on Wednesday, July 24, at the J.A. Haas Exhibit Building and Larned Community Center. The J.A. Haas Exhibit Building and Larned Community Center will be closed for judging of exhibits at 1:00 p.m.
6. The age you are as of January 1st of the show year is the age that will be used to determine which age division you will be entered under. Age Divisions are as follows: Preschool – 6 yrs. & under; Youth – 7-12 yrs.; Intermediate – 13-18 yrs.; Adult – 19-64 yrs.; and Senior – 65 yrs. & over. (No age divisions in livestock classes.) Please designate age division on entry card. If we do not receive six entries in an age division for a class, those respective entries may be combined without age divisions.
7. All entries must be made upon entry cards furnished by Superintendent at the Fair or at the Pawnee County Extension Office before the Fair.

8. No exhibits will be released early. All Building exhibits will be released from 7:00-8:00 a.m., Sunday, July 28. Livestock exhibits will be released at 10:00 p.m. on Saturday night. **All Fair exhibitors** are required to help clean up.

9. First, second, and third places will be awarded ribbons and premiums of $3.00, $2.00, and $1.00, respectively. There will be a Champion and Reserve Champion given in each class, if justified. Grand Champion and Reserve Grand Champion will be awarded in each department, if justified.

10. Premiums can be claimed at time of pick-up, or will be available in the Extension Office after the fair for 60 days. If the open exhibitor also has a 4-H premium, both premiums will be available to pick up at the 4-H Achievement Banquet.

11. The entry clerks shall under no circumstance allow the awards records to go from their possession or to be inspected by anyone, except authorized officers until entries of the judges’ decisions have been made, the records audited and closed.

---

**OPEN CLASS LIVESTOCK GENERAL REGULATIONS**

1. Open Class livestock wanting to be on display must pre-enter and pay stall fees of $10.00 – beef; and $5.00 – sheep, swine, and goat. All livestock should be pre-entered by July 15, or the Monday immediately after if July 15 falls on a weekend.
   a. Youth, ages 7 and under, that are Pawnee County residents may stall their livestock at the Fair with the fee waived.
   b. Our primary audience consists of family and youth. The Pawnee County Fair Board reserves the right to reject any entry that may be considered objectionable by that audience.

2. Under Kansas Law, there is no liability for an injury to or death of a participant in domestic animal activities resulting from the inherent risk of domestic animal activities pursuant to sections 1 through 4 of KSA 60-208. You are assuming the risk of participating in this domestic animal activity.

3. Open Class livestock entries are not required to stall at the County Fair.

4. Livestock exhibitors must show their own entries. Exceptions may be made at the discretion on the Fair Board.

5. No one under the age of 3 will be allowed to show livestock.

6. Exhibitors are asked to dress appropriately for showing livestock.

7. Exhibitors must furnish their own feed, water, and equipment for all livestock exhibits.

8. Exhibitors are expected to keep their animals cared for and their pen or stall space clean. Premiums can be withheld for failure to do so.

9. For animals stalling at the Fair: Each animal must be marked with a stall card. These cards may be picked up at the Extension Office prior to the Fair or at the Fair Office during the Fair.

10. For livestock of wild nature, the superintendent and/or Extension Agent will decide whether it is reasonably safe to allow the animal to enter the show ring.

11. No artificial coloring will be permitted above the flank. Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of skin coloring not characteristic of the breed’s identity, false tail heads (or use of false hair), the use of any substance to color the hair (or wool).

12. Unethical fitting of show animals is not allowed and will result in disqualification. The exhibit must be the handwork of the exhibitor.

13. Livestock will be allowed to be released at 10:00 p.m. on Saturday.

Market Wheat Show
Awards made possible by First State Bank & Trust Co. and will provide awards for 1st, 2nd, and 3rd Place.

TO ENTER:
Collection boxes will be distributed to elevators in the county the last part of May. During harvest, please fill one Ziploc bag (one bag = one entry) at the elevator, write contestant information on the label, and leave in the box. The County Agent will collect entries and mail detailed Crop Data Cards to be completed by producer.

1. Crop Data Cards are to be turned in to the Extension Office by July 8th. No cards or entries will be accepted after this date due to revised judging procedures.
2. All wheat exhibits must be produced in Pawnee County during the present year.
3. All exhibits shall be COMBINE RUNS ONLY. Samples shall consist of approximately 5 lbs. of wheat collected at the elevators in the county. If a producer has grain stored on the farm and wishes to enter, the County Agent should be notified for sample collection.
4. Any entry which has been hand-picked or screened will be disqualified.
5. Limitation of entries: Each producer is limited to one entry for each variety of wheat grown on the exhibitor’s farm. A producer is someone who is recognized by the FSA (Farm Service Agency) as a tenant and/or within the county.
6. All samples will be graded by the Kansas Grain Inspection Service in Dodge City.
7. Premiums and ribbons will be awarded 1st through 3rd places for each class. In case of a tie, premiums will be added together and divided by the number of tying entrants.
8. An award will be presented to the overall winner during the 4-H & Special Awards Presentation.

SCORING EXPLANATION:
Meeting the needs of customers is important to any business, and wheat farming is no exception. U.S. wheat is the world’s most reliable choice. GEOLOGY AND LAPIRARY – DEPARTMENT XI
Superintendent: David Miller

RULES:
1. Read Open Class Rules and Regulations.
2. Each exhibitor is required to identify each display box by placing an identification label bearing their name, county, and number of specimens in the upper left-hand corner of the plexiglass cover (inside), and by attaching a label with the same information to the lower right-hand corner of the box (outside). The inside label is to also indicate the class number.
3. Exhibitor may enter in both geology and lapidary classes, only one entry per class.
4. Specimens should be labeled with the number of specimens, date collected, specimen name or description, and locality where collected.
5. Specimens should be mounted in the box by proper groups: rocks, minerals, and fossils.
6. All specimens are to be arranged across the narrow (18”) dimension of the exhibit box, making the exhibit 18” wide, 24” long, and 3” deep.
7. All specimens must be collected from locations in Kansas. Out-of-state specimens may be exhibited in a marked section of the display box but these are not to comprise the major portion of the exhibit. OUT-OF-STATE SPECIMENS WILL NOT COUNT IN THE MINIMUM NUMBER FOR THE CLASS, NOR WILL THEY BE CONSIDERED IN THE JUDGING.
8. Champion and Reserve will be selected by class, if justified. Grand Champion and Reserve Grand Champion will be selected for Department XI, if justified.

The Pawnee County Fair will exercise due care to protect exhibits. 4-H members who have exhibits of great sentimental and/or monetary value should carefully consider whether such exhibits should be exposed to the hazards of the fair.
11. ALL 4-Hers, Leaders, and Parents should help set up for the Fair.
12. All 4-H Exhibitors are required to help clean up at 7:00 a.m., Sunday, July 28, or ALL premiums (sale included) will be forfeited. The 4-Her will need to find an Agent to sign in for their attendance. If it is known in advance that there will be conflicts, please deliver it in writing to the Fair Board no later than 8:00 p.m. on Wednesday of the Fair. Emergencies will be reviewed by the Fair Board.
13. The exhibits must be the handiwork of the exhibitor; the grower, where agricultural exhibits are shown; and the owner and feeder, where livestock is entered. Exhibits must be the result of the current year’s 4-H work. This rule shall be rigidly enforced to maintain the integrity of the youth programs.
14. Champions and Reserve Champions will be selected, if justified, through all subdivisions of the 4-H Division in this fair book. Straight-cut ribbons will be awarded. Grand Champion and Reserve Grand Champion ribbons will be awarded to the best exhibit of overall quality and only one each per division.
15. The Fair Board has requested that only Superintendents be in the Community Center and Exhibit Building during the judging on Thursday afternoon. The exception is the consultative judging on Thursday afternoon (stated in the schedule for specific divisions). Parents may listen to consultation judging but may not participate. ASSISTANTS
SHOULD NOT ASSIST WITH JUDGING OF CLASSES THEY OR THEIR OWN CHILDREN HAVE ENTERED.

16. 4-H Fair Improvement discussion will be conducted on a 4-H Club basis at the regular local 4-H Club meeting, following the fair. Please submit your suggestions in writing to the Extension Office. These will be discussed by the 2019 Fair Board.

17. If you are making 2 or more entries in a class (if allowed in that class), be sure to write that class number on your entry form to match the number of entries.

4-H LIVESTOCK RULES & REGULATIONS

LIVESTOCK EXHIBITS

1. ONLY FAMILY MEMBERS AND CURRENT 4-HERS CAN GIVE LIMITED ASSISTANCE IN THE PRESENCE OF THE 4-HER IN THE LIVESTOCK DIVISION. No trainers or other helpers allowed.

2. LIVESTOCK, STALLS, AND ALLEYS MUST BE KEPT CLEAN AT ALL TIMES.

3. A veterinarian will be on call to assist in checking in all livestock, including poultry, rabbit, and dog entries, during the period of entering livestock at the 4-H Fair.

4. Livestock which is verified as sick by a veterinarian may be taken home.

5. One person may tag a maximum of 6 animals per specie on published weigh-in date for county fair.

6. Horse exhibits may be released early if they are going to attend another show, subject to prior approval by the Pawnee County Fair Board, written request must be submitted to the Secretary of the Fair Board by July 1 or the Monday immediately after if July 1 falls on a weekend.

7. 4-HERS ARE RESPONSIBLE to clean up stalls immediately if their livestock is released early or taken to B & B Quality Meats, LLC.

8. Livestock exhibits will be released at 10:00 p.m. on Saturday.

9. All 4-H Exhibitors are required to help clean up at 7:00 a.m., Sunday, July 28, or ALL premiums (sale included) will be forfeited. The 4-Her will need to find an Agent to sign in for their attendance. If it is known in advance that there will be conflicts, please deliver it in writing to the Fair Board no later than 8:00 p.m. on Wednesday of the Fair. Emergencies will be reviewed by the Fair Board.

10. No livestock will be admitted to the fairgrounds before Wednesday. All livestock must be checked in by time listed in Division rules.

11. Livestock will need to be weighed in by the time listed in the Division rules.

12. Any animal that cannot be shown in the regular and customary manner may be disqualified.

13. Livestock show order and classes will be posted in the barn. When numbers warrant, a class may be divided, combined, or cancelled.

14. Livestock exhibitors must show their own entries with these exceptions:
   a. If a 4-H member has two entries in the same class or has livestock entries in two divisions being shown at the same time, another 4-H member must be ready to exhibit the livestock when the class is called.
   b. In case of illness, doctor’s orders is required for another 4-H member to show exhibits.

15. Care of animals during Fair: 4-Hers may have help with animals from immediate family members or other current Pawnee County 4-H members eligible to exhibit at the County Fair.

16. Livestock tagging: All market animals must have an official 4-H tag in place from the official county weigh-in (or before if so stated in department rules).

17. If an animal loses an ear tag, the exhibitor needs to contact the Extension Agent and have the tag replaced.

18. Physical abuse of any animal will not be tolerated and will be grounds for disqualification. Show Superintendent has the right to interpret this rule.

19. Exhibitors are encouraged to dress in species-appropriate clothing.
GLENN MULL FAMILY MEMORIAL 4-H LIVESTOCK SALE RULES

1. Premium Only: No meat available for purchase. 4-H exhibitors may sell only one item in the sale. Classes qualifying for the sale will come from food phase champions, poultry or rabbit meat pen, market lamb, goat, swine, or steer. Market sale animal items must also be the animal the 4-Her enters in the carcass contest for that specie. A different hog, sheep, goat and beef, may be driven in the sale ring. Buyer will be bidding on carcass entry already at B & B Quality Meats, LLC.

2. Paperwork for carcass contest and intent to sell form is to be filled out 1 hour after the live show and in the Fair Office. Information includes: 4-Her’s name, social security number, specie, ear tag number, breed, live weight, and buyer of the meat. All other 4-H market livestock will be taken home.

3. Pawnee County Fair Association will collect 10% from the 4-Her on the premium of the sale animal/food. The 4-Her will also forfeit the class premium on the sale animal/food.

4. Minimum weights are: Goats – 60 lbs; Lambs – 100 lbs; Hogs – 200 lbs; Steers – 1,000 lbs; and Bucket Feeders – 900 lbs.

5. All 4-H Exhibitors are required to help clean up at 7:00 a.m., Sunday, July 28, or ALL premiums (sale included) will be forfeited. The 4-Her will need to find an Agent to sign in for their attendance. If it is known in advance that there will be conflicts, please deliver it in writing to the Fair Board no later than 8:00 p.m. on Wednesday of the Fair. Emergencies will be reviewed by the Fair Board.

SPECIAL AWARDS, CONTESTS, AND EVENTS

*There are no points awarded for Shotgun/Trap Shoot, or for Fashion Revue Constructed Garments. No premium is awarded for Showmanship (all animals), Shotgun/Trap Shoot, or for Fashion Revue Constructed Garments. Those who participated in Fashion Revue Constructed Garment, received their premium and points for Clothing Construction judging and do not receive extra points or premium for participating in the Fashion Revue with those Constructed Garments.

**HIGH POINT BOY AND GIRL**

The 2019 4-H Fair High Point Boy and High Point Girl will receive plaques and cash award provided by American AgCredit at the 4-H Achievement Banquet. A radio provided by the Pawnee County 4-H Council will be awarded to the high point individual. These awards may be won only once. However, verbal recognition will be given to the high point people if they have already won the award. If a high point boy or girl wins the plaque but not the radio, they are eligible later to win the radio.

**OUTSTANDING FAIR HELPER**

A personal plaque will be given to the Outstanding Fair Helper. A plaque in the Extension Office will be updated each year with that year’s recipient. Each Superintendent may nominate **ONE** Pawnee County 4-Her who has shown exceptional effort to make the Fair better for everyone. Superintendents are asked to submit their nominations at the
close of the County Fair. The Superintendents will vote to select from those nominated. The award will be presented at the Pawnee County 4-H Achievement Banquet. This is a one-time award. The Outstanding Fair Helper Award is made possible by the Michael Steffen Memorial of the Pawnee County 4-H Foundation.

**HERDSMANSHIP AWARD**

Exhibits in Beef, Sheep, Swine, Goat, and Horse divisions will be judged daily during the fair. Each 4-H Club will be judged on: cleanliness of alleys, stalls, and/or pens; arrangement of exhibit; appearance of animals, and stall cards being placed as necessary. The daily scores will be posted in the Fair Office. The winning 4-H Club will receive the award at the 4-H Achievement Banquet. The Raymond Johnson Memorial of the Pawnee County 4-H Foundation sponsors this award.

**FACS JUDGING**

Thursday, July 25, 12:00 noon-2:00 p.m., J.A. Haas Exhibit Building

All 4-H members are encouraged to participate in the judging. This is a walk-through contest. This is a great opportunity to compete in a judging that will count towards Achievement Pins.

**ROUND ROBIN SHOWMANSHIP**

Superintendent: Beth Pinkston
Saturday, July 27, 10:00 a.m.

**SPECIAL AWARDS:**
The Amber Schmitt Memorial will provide a belt buckle for the Grand Champion Round Robin Showman. Jansyn Van Horn will provide an award for the Reserve Grand Champion Round Robin Showman.

The Grand Champion and Reserve Grand Champion of BEEF, SHEEP, SWINE, and GOATS divisions are invited to participate in the Round Robin Showmanship. If one person happens to be the Grand Champion or Reserve Grand Champion showman in multiple species, that 4-Her can select which species he/she would like to show. The third blue and fourth blue, if applicable, will be allowed to participate if the top individuals have chosen another species. There should be 2 competitors from each species.

**RULES:**
1. Contestants must agree to provide the animal they won with. Superintendent has discretion on animals used in the contest.
   a. Any animal deemed hard to handle, or dangerous, may be substituted for.
2. Any substitution of animals for the competition due to injury or sickness will be made at the discretion of that specie Superintendent.
3. If there are not two showmen in each species, then the Superintendent will find a substitute animal for the contest with the permission of the owner and the owner present.
4. Animals to be used in the competition must be clean to show but don’t have to be fitted.
**BEEF TEAM FITTING**
Superintendent: Colton Kirby
Saturday, July 27, 11:00 a.m.

**RULES:**
1. This fun and educational event is open to youth 3 and up, 4-Hers and non 4-Hers. The 4-H Beef Project Jr. Leaders will be assigned as team leaders.
2. Must sign up with the Superintendent by 10:00 a.m., Saturday, July 27.
3. **NO** paint or clippers are to be used.
4. 30-minutes time limit to fit the animal. Then animals will be in the show ring for evaluation.
5. Animals need to be cleaned and blown out before contest begins. A person can use their own animal or borrow one. If borrowed, they must obtain permission from the owner to use the animal.
6. Judge may ask questions.
7. Rules could change at Fair time if not enough entrants – will be at the discretion of Beef Team Fitting Superintendent and Fair Board.

**LIVESTOCK BUYERS’ SUPPER**
An appreciation meal for the 4-H livestock buyers will be held at the J.A. Haas Exhibit Building on Saturday, July 27, at 6:30 p.m. Buyers from the previous year’s sale will receive 2 free tickets. New buyers or 4-H parents may purchase tickets for the supper on a first come basis. These meals will be $5.00 and will be sold at the Fair Office. The 2019 Glenn Mull Family Memorial 4-H Livestock Sale is prior to this meal at 5:30 p.m.

**CARCASS SHOW**
Superintendents: Evan Cooper, Kory Josefiak, Tyson Steffen
Tuesday, July 30, 7:00 p.m.

**SPECIAL AWARDS:**
Ward Feed Yard will provide cash awards to 1st ($100.00 & a plaque), 2nd ($50.00), and 3rd ($25.00) beef carcasses. B & B Quality Meats, LLC of Larned will provide $100.00 to the 1st place swine carcass. Jim & Joan Forrest and Barger Land & Livestock will provide $50.00 for 2nd place and $25.00 for 3rd place swine carcasses.

Participation 4-Her may take only one steer, and one hog to the carcass show. A form is required to participate in the Carcass Show. It must be filled out and in the Fair Office one hour after the live show. Information includes: 4-Her’s name, social security number, specie, ear tag number, breed, live weight, and buyer of the meat. The exhibitor, or a representative of the family, must be present for the carcass placing discussion to be eligible for the award. The cash awards will be presented the 4-H Achievement Banquet. Minimum weight for bucket feeders is 900 lbs. and 1,000 lbs for market steers/heifers. Minimum weight for hogs is 200 lbs.
BEEF – DIVISION A

The Darcey VanMeter Memorial will be provided by the Pawnee County 4-H Foundation. A silver tray and cash award will be presented to the Grand Champion Market Steer.

RULES:
2. Check in will be at 6:00 p.m., on Wednesday, July 24.
3. A 4-Her may exhibit not more than 2 breeding animals; and not more than 2 market animals or not more than 2 bucket calf division animals (can take 2 of each, 6 total).
4. The 4-Her, not parents, should be responsible for keeping stalls and aisles clean.
5. No stags or bulls will be allowed to show.
6. All market animals, bucket feeders, and bucket calves must have been weighed and identified in the exhibitor’s name with approved 4-H ear tags on or before the county weigh-in date.
7. Only 6 animals will be tagged per 4-Her for County Fair.
8. Sale animals must still go to B & B Quality Meats, LLC.
9. Heifer can be shown in Market or Breeding. Not both.
10. The steers and heifers will be shown by blow & go – no hair gel, glue, adhesive, or powder products. Must be able to run comb through hair.
11. Beef carcass contest will be open to market beef exhibited at the County Fair and sent to B & B Quality Meats, LLC. 4-Hers must attend carcass show the Tuesday evening following the conclusion of the Fair in order to receive a placing and award.
12. Superintendent will break breeding and market classes at their discretion. At time of weigh-in, beef will be breed classified by Superintendent based on typical breed characteristics. Any animal failing to meet brand standards will be shown as “Crossbred.”
13. Two steers, or market heifers, must show per breed class or they will be shown in the “All Other Breeds” class.
14. Show order will be posted in the livestock barn.
15. Rate of Gain awards will be open to all market beef weighed at county weigh-in and exhibited at the Pawnee County Fair. Calculations will be done by Superintendents or Extension Office. Any circumstantial exceptions will be finalized by the Superintendents or Extension Office.

16. This contest is not State Fair qualifying. To qualify for State Fair, nominations are due May 1 for market beef and June 15 for breeding beef. Please contact the Agent to do so.

17. Heifer class winners will be brought back in for a Supreme Female and Reserve Supreme Female award.

18. Champion and Reserve Champion in each age division of Showmanship will be awarded, if justified, and will show for Grand Champion and Reserve Grand Champion.

19. A showmanship contest for 4-H beef cattle exhibitors (including bucket calf and bucket feeder) will be held at the conclusion of the beef judging. Ribbon awards will be provided.

Order of the show will be: Heifer, Showmanship, and Steer by the following Breed: Angus, Hereford, Shorthorn, Crossbreed, and All Other Breed

Breeding Heifers – AGE OF CLASSES will be determined by the following classification:

Junior Heifer – calved after January 1, current year
Senior Heifer Calves – calved between September 1 and December 31, previous year
Summer Yearling Heifer – calved between May 1 and August 31, previous year
Junior Yearling Heifer – calved between January 1 and April 30, previous year
Senior Yearling Heifer – calved between May 1 and December 31, two years previous

Each breed will use the same class numbers, but add the letter: H-Hereford; A-Angus; S-Shorthorn; C-Crossbreed; after each class number. Example: 800H – for Hereford Junior Heifer

Class 800. Junior Heifer
Class 801. Senior Heifer
Class 802. Summer Yearling Heifer
Class 803. Junior Yearling Heifer
Class 804. Senior Yearling Heifer
Class 805. Cow-Calf Pair – Female must be a project. Animals will be halter shown. Bull calf may be shown.

Steers and Market Heifers

Beef Steer and Market Heifer animals must have been born after January 1, 2017. Designate Heifer or Steer by adding H or S to your class number.

Class 815. Hereford
Class 816. Angus
Class 817. Shorthorn
Class 818. Crossbreed or any other breed
Class 819. All Other Breed

Showmanship (NO BUCKET CALVES)

Class 825. Junior Division – 7-9 years of age, as of January 1, current year
Class 826. Intermediate Division – 10-13 years of age, as of January 1, current year
Class 827. Senior Division – 14 years of age and over, as of January 1, current year
BUCKET CALF & BUCKET FEEDER
Thursday, July 25, 5:30 p.m.

SPECIAL AWARDS:
The Wayne Miller Memorial will be provided by the Pawnee County 4-H Foundation. A trophy and cash award will be presented to the Grand Champion Bucket Calf.
The Ethan Cooper Memorial will be provided by the Pawnee County 4-H Foundation. A trophy and rope halter will be presented to the Reserve Grand Champion Bucket Calf.
The Michael Steffen Memorial will be provided by the Pawnee County 4-H Foundation. A trophy and cash award will be presented to the Grand Champion Bucket Feeder.
The Seeman Family will provide a belt buckle to each the Junior Bucket Calf Champion and Junior Bucket Feeder Champion.
Pawnee County Coop will provide a plaque to the Reserve Grand Champion Bucket Feeder.
The Judy Zook Memorial will be provided by the Pawnee County 4-H Foundation. An award will be given to all first time 4-H livestock exhibitors at the Pawnee County Fair each year.

RULES:
2. Bucket calf must be born after January 1, of the current year.
3. Only steers and heifers may be shown.
4. They must be fed by a bottle or bucket.
5. Beef or dairy calves will be allowed and judged equally. However, as a Bucket Feeder, it will be advantageous to use a beef type animal due to the market component of the project. A second year dairy bucket calf will fit better entered in the Dairy Division.
6. All bucket calves must have been identified in the exhibitor’s name with approved 4-H ear tags on or before the county’s small animal livestock weigh-in date.
7. Bucket Feeders need to be weighed in on the spring beef weigh in date set by the Extension Office, usually in March.
8. A Bucket Calf that was shown in Open Class the previous year does have the option to show as a 4-H Bucket Feeder. The Bucket Calf needs to have been declared at the previous year Fair (it was exhibited in Open Class as a Bucket Calf) and must be appropriately weighed and tagged at the Spring weigh-in.
9. This division will be shown blow & go.
10. Bucket Calf exhibitors will be limited to 7-12 year old 4-H members. Any member can exhibit a Bucket Feeder that was a Bucket Calf project from the previous year.
11. Bucket Feeder Class exhibit must be previous year’s project.
12. Bucket Feeder must weigh at least 900 lbs to sell in the premium sale.
13. Calves will be barn tied.
14. They will be shown as a group, not by breed, heifers and steers together.
15. They will be judged on beef showmanship and what the 4-Her has learned.
16. The calves will be shown at halter.
17. If Bucket Feeders are large enough, a 4-Her can choose to enter them in market or commercial heifer class.
18. Bucket Feeder Showmanship will be part of Beef Showmanship on Friday morning. There is no Bucket Calf Showmanship.
19. Classes will be judged by consultation method based on:
   a. 50% Knowledge – used to determine what the child has learned about caring for and raising the calf. Questions regarding purchase, management, housing, health, feeding, and future plans are considered appropriate and may be expanded for older youth. Knowledge will be based on judge’s questions in the show ring.
   b. 50% Showmanship – 4-H member will be judged on how well they work with their calf in the show pen. (How well the calf responds to commands, how well the calf has been cared for.) Show sticks are optional.
Presentation of the calf is to be done with a rope, nylon, or leather halter. The quality of the calf as a beef or dairy specimen will not be a factor. 4-Hers must dress according to the Dress Code listed under Livestock Exhibits, in the 4-H Livestock Rules and Regulations.

20. Check-in is at 6:00 p.m. on Wednesday of the Fair.
21. Champion and Reserve Champion in Junior and Senior Divisions will show for Grand Champion and Reserve Grand Champion Bucket Calf. Champion and Reserve Champion in Junior and Senior Divisions will show for Grand Champion and Reserve Grand Champion Bucket Feeder.

Class 830. Bucket Calf – Junior 4-Her (Age 7-9 years)
Class 831. Bucket Calf – Senior 4-Her (Age 10-12 years)
Class 832. Bucket Feeder – Junior 4-Her (Age 7-9 years)
Class 833. Bucket Feeder – Senior 4-Her (Age 10-12 years)

RULES:
1. Read 4-H General Rules & Regulations and 4-H Livestock Rules.
2. Dairy Show will follow the Beef Show, if there are entries made.
3. Check in time will be at 6:00 p.m., on Wednesday of the Fair.
4. 4-Her, not parents, should be responsible for keeping stalls and aisles clean.
5. Only 6 animals will be tagged per 4-Her for County Fair.
6. All breeds will be shown together.
7. Superintendent will break breeding and market classes at their discretion. At time of weigh-in, beef will be breed classified by Superintendent based on typical breed characteristics. Any animal failing to meet breed standards will be shown as “Crossbred.”
8. Show order will be posted in the livestock barn.
9. Dairy cattle will be shown by blow & go – no hair gel, paint, glue, adhesive, or powder products. Must be able to run comb through hair.

Class 850. Heifer Calf, calved January 1, or after of the current year (not bucket fed)
Class 851. Yearling Heifer, calved between January 1 and December 31 of the previous year
Class 852. Heifer or Cow, calved before January 1 of the previous year; 2 years and older

Thursday, July 25, 8:00 a.m.

SPECIAL AWARDS:
Mr. & Mrs. Gary Seibert, Seibert Feeding, will provide a 4-H Tray to the Grand Champion Market Hog.
Pawnee County Coop will provide a 4-H Tray to the Reserve Grand Champion Market Hog.
The Glenn & Velma Hewson Memorial will be provided by the Pawnee County 4-H Foundation. A cash award will be presented to the Champion Junior Swine Showman and a cash award will be presented to the Champion Senior Swine Showman.
Crane Farms will provide $50 cash award to the Grand Champion Swine Showman.
The Marvin Finger Memorial will be provided by the Pawnee County 4-H Foundation. A cash award will be presented to the Reserve Grand Champion Swine Showman.
The Judy Zook Memorial will be provided by the Pawnee County 4-H Foundation. An award will be given to all first time 4-H livestock exhibitors at the Pawnee County Fair each year.

RULES:
2. Each 4-Her may show a total of 2 market swine and 2 breeding gilts. Gilts may not show as market hogs and breeding gilts.
3. Only barrow or gilts will be allowed to show. No boars or stags. Barrows must be physical castrates.
4. All market swine and breeding gilts must have been identified in the exhibitor’s name with approved 4-H ear tags on or before the county weigh-in date. The official ear tag must be in place at time of entry.
5. Only 6 animals will be tagged per 4-Her for County Fair.
6. Sale animals must go to B & B Quality Meats, LLC.
7. Gilts can be exhibited and returned to your breeding herd. If you do move them back into the herd, they should be isolated and treated as a new addition to the farm.
8. Two breeding gilts are required per class, otherwise AOB.

The Judy Zook Memorial will be provided by the Pawnee County 4-H Foundation. An award will be given to all first time 4-H livestock exhibitors at the Pawnee County Fair each year.

RULES:
1. Read 4-H General Rules & Regulations and 4-H Livestock Rules.
2. Check in with the Superintendent by 6:00 p.m. on Wednesday of the Fair.
3. Stallions may be exhibited only in the weanling halter class.
4. Patterns, tack, and equipment regulations set forth in the publication, “Handbook for Kansas 4-H Horse Shows and Events: 4H400”) will be used in the 4-H Fair Horse Show. Booklet is available at the Extension Office. ID is required at every show.
5. The age of the horse is determined as of January 1 in the year the horse was born. For example – a weanling colt is a foal of 2019, irrespective of which month it was born; a colt born in 2018 is a yearling; a colt born in 2017 is a two-year-old, etc. Mares and geldings will show separately in halter classes.
6. Jeans and a long-sleeved shirt or blouse must be worn. Shirts or blouses may vary in color but must have a convertible collar. Exhibitors must wear a western hat that should stay on during the class. Helmets will be allowed. The use of gloves, ties, spurs, and chaps shall be optional. A belt is recommended. 
   a. The use of protective headgear, in the place of a hat, is the option choice of exhibits in any and all Western classes, including judged and timed classes. 
   b. Horse t-shirts may be worn for speed events only.
7. Weanlings, yearlings, and mares with colts will be allowed to be taken home immediately following the show. **Horses exhibited will require a stall. Include the word “stall” on the entry form.**
   a. Example: Class 950. Weanling & Yearling Mares – STALL
   b. 1 horse per member stalled unless not enough stalls, then family decides which horse is stalled.
8. A **$15 deposit will be required at time of entry.** The deposit will be returned after clean up if the stalls are cleaned, scrubbed, and disinfected properly by exhibitor.
9. Horses that are shown need to remain on the fairgrounds until release time or premiums will be forfeited.
10. Purple, blue, red, and white ribbons will be awarded to all exhibitors, based on quality, except showmanship halter where top two in each class will compete for Grand Champion or Reserve Grand Champion.
11. In each class, the 1st purple and 2nd purple will receive Champion and Reserve Champion, if justified. 10 points – Champion; 9 points – Reserve Champion; 7 points – all over purples; 6 points – blues; 5 points – reds; 4 points – whites.
12. Halter and Riding class winners are NOT eligible for State Fair. Please attend District Horse Show to qualify for State Fair.
13. The Superintendent has the option to combine classes, as well as determine ages and check bits on any horse being shown.
14. Horse exhibits may be released early if they are going to attend another show, subject to prior approval by the Pawnee County Fair Board. Written request must be submitted to the secretary of the Fair Board by July 1.
15. **PREMIUM WILL BE PAID ONLY ONCE ON A HORSE ENTRY.** It will be paid on one that exhibits best ribbon. Example: Blue in halter, red in horsemanship – premium paid as points for blue award only.
16. Points are counted for the high point awards and high point exhibitor. The award for high point performance horse will be one horse, one rider. The award for high point all around exhibitor in each age division will be determined strictly on one rider only, any number of horses. Excludes Walk/Trot events.
17. Ribbon points will be given on age groups only.
18. Horses must have health papers from a local veterinarian within the past 30 days and evidence of a negative Coggins (EIA test) conducted within 12 months of the show. The original results must be shown to Superintendent or Ag Agent.
   a. Foals, six months of age and younger, accompanying their negative dams, are exempt from EIA test requirements.
19. Juniors cannot enter both Walk/Trot and regular classes.
20. All Walk/Trot classes will be shown together, but judged separately.
21. Only current 4-H members are allowed to ride 4-H horses on the day of the 4-H show. Each exhibitor will be issued a contestant identification number. Trainers, parents, and other adults are prohibited from providing training for a horse. This includes, but is not limited to, lunging and riding. Violation will result in disqualification at the discretion of show management.

**Order of Show: Halter, Performance, Speed Events, Fun Events**

Class 1152. Educational Display – Must be directly related to the wildlife project. Maximum tri-fold size is 3’ x 4’.
Class 1153. Taxidermy/Tanning Exhibit – Should include an attachment that shows the work in progress through photos with captions, or a detailed journaling of the process.

PLANT SCIENCE: CROPS – DIVISION N
Superintendents: Dale Seeman & Jared Skelton

SPECIAL AWARDS:
The Hugh Bowman Memorial will be provided by the Pawnee County 4-H Foundation. An award will be presented to the Grand Champion Crops exhibit, excluding wheat plot booths.
The Edwin & Shirley Doll Memorial will be provided by the Pawnee County 4-H Foundation. An award will be presented to the Reserve Grand Champion Crops exhibit.
Fischer Farms will provide a silver tray to the Champion Alfalfa exhibit.
The Raymond Frick Memorial will be provided by the Pawnee County 4-H Foundation. An award will be presented to the Reserve Champion Alfalfa exhibit.
The Raymond Johnson Memorial will be provided by the Pawnee County 4-H Foundation. A plaque and cash award will be presented to the Champion Wheat Jar.
Dr. Christina Frick, DVM, will provide a plaque to the Champion Wheat Variety Plot Display.

RULES:
1. Read 4-H General Rules & Regulations.
2. Bring your grain or seed exhibit in a gallon wide-mouth glass jar; lids should be painted black.
3. All gallon jar exhibits (wheat, milo, corn, oat, barley, grass seed, or soybean seed) are allowed to have a center core of Styrofoam or potato chip can to reduce the amount of grain.
4. Sorghum exhibits may not be mature by the time of the Fair but the best exhibit possible should be made.
5. Crops should be exhibited as cut whole plants. Soybeans should include washed roots.
6. Crops should be of adapted and recommended varieties and grown in the last available season.
7. Variety or hybrid must be named on the entry card tied to jar. Sticker entry card is required on top of lid.
8. A Champion and Reserve Champion will be selected from each Wheat Class.
9. A Champion and Reserve Champion will be selected from each Feed Grains class.
10. A Champion and Reserve Champion will be selected from each Alfalfa class.
11. A Champion and Reserve Champion will be selected from each Other Crops class.
12. An Overall Grand Champion and Reserve Grand Champion will be selected, if justified.

**Wheat**

Class 1175. Wheat Gallon Sample (variety or hybrid must be named)
*Class 1176. Wheat, bundle, 3-inch diameter
Class 1177. Wheat Plot Variety Display – follow these specifics:
   1. 18” deep, 26” wide, 36” high. If booth exceeds overall dimensions, ribbon placing will be dropped one place.
   2. Must not require electricity.
   3. These displays will have been planned and prepared by 4-H members enrolled in the crops project.
   4. Members must include the varieties provided in the display, but may include more varieties, if desired.
   5. Educational Value – 70%
      a. Is the main idea of the display specific? Was the title or theme emphasized? Is the idea presented so clearly, so forcefully, that I will stop the casual observer? If the passerby stopped, did the display give the observer additional facts in a clear, concise way? For example, varietals difference in wheat, economic gains from adoption of desirable practices, etc.
   6. Quality Variety Plot Displays – 30%
      a. Size, style, and neatness of lettering, proportion of models and lettering balanced, workmanship, including handouts, if used, charts, models, and lettering used effectively to teach ideas, colorful, artistic, neat, and well balanced.

**Feed Grains (Hybrid must be named)**

*Class 1178. 5 heads hybrid sorghum
*Class 1179. 5 stalks hybrid sorghum
*Class 1180. 5 heads hybrid forage sorghum
*Class 1181. 5 stalks hybrid forage sorghum
*Class 1182. 5 ears of corn
*Class 1183. 5 stalks of corn
Class 1184. 1-gallon grain sorghum with inner core
Class 1185. 1-gallon corn with inner core

**Alfalfa**

Class 1186. Flake of Alfalfa Hay – exhibit to consist of one flake or slice from a rectangular bale, or a 10” section cut from a round bale. The flake or slice should be approximately 6 inches in thickness, and tied in two directions.
Class 1187. 1-gallon alfalfa seed with inner core – current or previous year

**Other Crops (Variety must be named)**

Class 1188. 1-gallon oat seed with inner core
Class 1189. 1-gallon barley seed with inner core
Class 1190. 1-gallon grass seed with inner core
Class 1191. 1-gallon soybean seed with inner core of previous year
Class 1192. Soybeans – bundle of 5 plants grown in current year
Class 1193. Sunflowers – 5 stalks

PLANT SCIENCE: HORTICULTURE – DIVISION O
Superintendents: Doug & Cathy Nord

SPECIAL AWARD:
The Velma Bowman Memorial will be provided by the Pawnee County 4-H Foundation. An award will be presented to the Grand Champion Garden exhibit.

RULES:
1. Read 4-H General Rules & Regulations.
3. Exhibits MUST be labeled with name, club, name of project, and name of each vegetable variety.
4. Secure entry form to plate or container with string or tape. Use a sturdy plate, bowl, or container that will support the weight of the produce.
5. Members may enter multiple entries in an individual class, provided each entry is a different type of produce.
6. Horticulture Notebook entries shall consist of a notebook or three-ring binder of written narrative describing a horticulture project such as a landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer’s market business, or other horticulture project. 4-Hers are encouraged to include photographs, illustrations, and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during, and after the completion of the project are particularly helpful.
7. Champion and Reserve Champion Garden Display will be selected.
8. Champion and Reserve Champion will be chosen from Other Horticulture classes.
9. Grand Champion and Reserve Grand Champion will be selected, if justified, for Division O.

Garden
Class 1225. Garden Display: Each exhibitor in this class will be limited to four square feet of space. The Garden Display must be exhibited in a tray, basket, or container that can be easily moved by the fair staff. Exhibit consists of five different types of fresh vegetables or fruits. Canned products and shelled vegetables are not acceptable. Only one variety of each type of vegetable or fruit may be exhibited. The numbers of five types of vegetables or fruits to be exhibited are as follows:
   a. Large Vegetables (one each): cabbage, cantaloupe, eggplant, large pumpkin, squash, watermelon
   b. Medium Vegetables (five each): beets, carrots, cucumbers, decorative gourds, potatoes, miniature pumpkins, okra, onions, peppers, sweet potatoes, tomatoes, or other similar sized vegetable
   c. Small Vegetables (twelve each): green snap beans, wax beans, English peas, radishes, or other similar sized vegetables
   d. Small Fruits (one half-pint box): strawberries, blackberries, raspberries, or other similar sized fruits
   e. Tree Fruits (five each): apples, pears, peaches, or similar sized fruits
   f. Grapes (two bunches)

Other Horticulture
Class 1226. Small vegetable specimen plate (12): green snap beans, yellow wax beans, radishes, other small vegetables
Class 1227. Medium vegetable specimen plate (5): cucumbers, cherry tomatoes, tomatoes, beets, white onions, yellow
onions, red onions, bell peppers, other peppers, okra, parsnips, turnips, sweet potatoes, red potatoes, white or Russet potatoes, carrots, miniature pumpkins, decorative gourds, or other medium vegetables

Class 1228. Large vegetable specimen plate (1): watermelon, summer squash, winter squash, large type pumpkin, eggplant, cabbage, cantaloupe, other large vegetable

Class 1229. Fresh culinary herbs (6): parsley, basil, dill, etc. Six stems (or comparable quantity) of one variety of fresh herbs must be exhibited in a disposable container of water. Dried herbs are not accepted.

Class 1230. Small fruits (one half-pint box): strawberries, blackberries, raspberries, or other similar sized fruits; if other, please include name of fruit on entry.

Class 1231. Tree fruits (plate of 5): apples, pears, peaches, or similar sized fruits

Class 1232. Grapes (plate of 2 bunches)

Class 1233. Horticulture Notebook

PLANT SCIENCE: FLORICULTURE – DIVISION P

Superintendents: Sue Pelton

SPECIAL AWARD:
The Marian Mull Memorial will be provided by the Pawnee County 4-H Foundation. A crystal vase will be awarded to the Grand Champion, a crystal bowl will be awarded to the Reserve Grand Champion, and a cash award will be awarded to Reserve Champion Flower.

RULES:
1. Read 4-H General Rules & Regulations.
2. There should be only 1 exhibit per 4-Her in each class, except annuals, perennials, tubers, or bulbs where exhibitor may have 2 entries per class – needs to be different varieties. You may enter up to 4 classes plus one floriculture notebook in Division P.
3. Houseplants and terrariums are to be potted by the 4-Her 6-8 weeks prior to the Fair.
4. Flowers need foliage to show.
5. Information about exhibiting flowers can be found online in the publication “Preparing Cut Flowers to Exhibit,” available at http://www.bookstore.ksre.ksu.edu/pubs/4H826.pdf.
6. All materials (flowers) should be grown or collected rather than purchased. Exceptions will be in order to build a terrarium, fairy garden, or dish garden supplies and difficult to grow plans may be purchased.
7. Annuals or perennials are to be displayed in clear glass bottles, jars, or plain vases; with some foliage left on the stem(s). Arrangements may be in container of your choice. You are encouraged to use a disposable container.
8. A Champion and Reserve Champion will be chosen from flower classes.
9. A Champion and Reserve Champion will be chosen from houseplants and terrariums.
10. Grand Champion and Reserve Grand Champion will be selected from Division P, if justified.

Flowers
Class 1250. Annual Garden Flower, cut specimen, single stem – display in a plain vase
Class 1251. Perennial Garden Flower (including bulbs), cut specimen, single stem – display in plain vase
Class 1252. Fresh Flower Arrangement – Flower materials must be grown and/or collected by exhibitor, not purchased.
   a. Will be judged on quality of bloom (50%) and artistic arrangement (50%)
Class 1253. Dried Flower Arrangement – No fabric or plastic material allowed. Flowers must have been grown, dried, and arranged by 4-Her.
Class 1254. Floricultures Notebook
   a. Entry shall consist of a notebook or three ring binder of written narrative describing a floriculture project such as a landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer’s market business, or
other floricultural project.

b. 4-Hers are encouraged to include photographs, illustrations and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during, and after the completion of the project are particularly helpful.

c. Exhibitor may enter one floricultural notebook.

d. Floriculture notebook scoring is based on the following criteria:
   1. Organization & General Appearance – 20%
      a. neat, includes title page and table of contents, original, creative, etc.
   2. Narrative – 40%
      a. including goals, successes, failures, etc.
   3. General Content – 40%
      a. subject matter, photos, maps, knowledge gained, etc.

**Houseplants & Terrariums**

*1255. Terrarium made by 4-Her
*1256. Fairy Garden
*1257. Houseplant – Blooming
*1258. Houseplant – Foliage
*1259. Dish Garden

**PLANT SCIENCE: WEEDS – DIVISION Q**

Superintendents: Doug & Cathy Nord

**RULES:**

1. Read 4-H General Rules & Regulations.
2. Champion and Reserve Champion will be selected, if justified.

Class 1275. Weed Control Exhibit

1. Collect, identify, press, mount, and label a minimum of 15 weeds. Try to include their roots, stems, leaves, and flowers. Three of the weeds must be noxious weeds preferably found in your home county. A standard 9” x 12” scrapbook may be obtained in which to permanently mount your weed specimens. Identify the scrapbook with your name and county on the inside front cover.
2. Prepare a list of the weeds mounted, showing common name, scientific name, and where it was found. Place the list in a specially identified section of the scrapbook.
3. Collect and identify weed seeds found in crop seeds. Mount them for display purposes. Place them in a specially identified section of the scrapbook.
4. Write a short story on “How We Control Weeds on Our Farm” if you live on a farm. Other members write “How We Control Weeds at Home.” The story should be about 300 words in length. It must show definite methods used to control weeds. Place the story in a specially identified section of the scrapbook.
5. Basis for Awards: Mounted weed collection: number of mounted specimens, completeness of individual mounts, correctness of identification and information, and neatness. Include record sheet of weeds.
   a. Records 50%
   b. Weed seed collection & exhibit 30%
   c. Story: “How We Control Weeds” 20%
PLANT SCIENCE: FORESTRY – DIVISION R
Superintendents: Doug & Cathy Nord

RULES:
1. All leaf exhibits (except Class 1286) are to be mounted on 8½” x 11” heavy stock paper and placed in loose leaf binders. (Magnetic or adhesive filler sheets for photographic prints are recommended.) Twigs and fruit collections may be exhibited in whatever manner you choose (maximum exhibit size 2’ x 3’).
2. Name, club, age, and year in project should be on front cover or in a prominent location.
3. Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include:
   a. The proper common name as listed in the 4H334, “List of Native Kansas Forest Trees”
   b. Location (city and/or county) where collected
   c. Date (day, month, year) collected
4. Intermediate Forester – Exhibit only in phase(s) enrolled.
5. Senior Forester enrolled in Self Determined can exhibit in Self Determined at the State Fair.
6. Divide specimens into the following two sections: Native Kansas Trees and Non-Native Trees.
7. New specimens are those specimens collected during the current 4-H year and cannot be a duplicate tree species of previously displayed specimens.
8. Group specimens according to the years collected (ex. “old-previous years” and “new”).
9. Variations of varieties do not count as different species or specimens.
10. When replacing previously displayed samples, due to degradation, improper mounting or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be displayed in the “old-previous” section of the display.
11. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.
12. In all leaf collections (Division A – Intermediate Forester), exhibit one complete leaf where possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A “leaflet” is incorrect when displayed as the complete leaf for the tree.
13. All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.
14. Champion and Reserve Champion will be selected, if justified.

INTERMEDIATE FORESTER

Knowing Trees as Individuals (Leaf Collections**)
Class 1280. Beginning (Choose either A or B)
   A. Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
   B. Exhibit a minimum of 10 native Kansas trees showing leaf, twig, and fruit from each species collected.
Class 1281. Intermediate (Choose either A or B)
   A. Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
   B. Exhibit a minimum of 10 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig, and fruit specimens.
Class 1282. Senior (Choose either A or B)
   A. Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.
   B. Exhibit a minimum of 15 native Kansas trees showing leaf, twig, and fruit from each species collected. This
exhibit must include 5 new leaf, twig, and fruit specimens.

Class 1283. Advanced (Choose either A or B)

A. Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees.

B. Exhibit a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 10 new leaf, twig, and fruit specimens.

How a Tree Grows

Class 1284. Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study or a mounting of a thin section of wood cut from the end of a log or top of stamp labeled with information such as kind of wood and age of tree when cut or exhibits an illustration of how a tree grows.

Tree Appreciation

Class 1285. Display: Entry may include a research of reporting project notebook with no more than 10 pages based on the exhibitor’s selected tree. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected.

SENIOR FORESTER

Growing and Protecting Trees

Class 1286. Display: Entry requires project notebook telling about project and pictures before, during, & after planting seedlings. Maximum tri-fold size is 3’ x 4’.

Tree Culture

Class 1287. Display: Entry requires project notebook showing your project work and includes pictures of before, during, & after wood lot improvement. Maximum tri-fold size is 3’ x 4’.

How Forests Serve Us

Class 1288. Display: Entry may include collected wood samples (all or partial) and 500 word essay. Wood sample display to be mounted on poster board or any stiff material no larger than a 3’ x 4’ tri-fold. Essay should be displayed in a covered binder.

Educational/Creative Exhibit

Class 1289. Display: Entry must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc.) given a maximum tri-fold size of 3’ x4’. Care should be taken to use durable materials that will withstand State Fair conditions. This is a good class to exhibit an unusual collection.
ENTOMOLOGY – DIVISION S
Superintendents: Doug & Cathy Nord

SPECIAL AWARDS:
The C.M. Phinney Memorial will be provided by the Pawnee County 4-H Foundation. A cash award will be presented to the Grand Champion Entomology exhibit.
Kellie Honey Farms will provide awards to the Reserve Grand Champion Entomology exhibit and Grand Champion Collection Notebook.

RULES:
1. Read 4-H General Rules & Regulations.
2. A 4-H member may choose to exhibit in the Collection, Educational, and/or the Collection Notebook classes for the phase in which they are enrolled. Within each category, there are classes in Beginning, Intermediate, and Advanced phases. A 4-Her may be enrolled in one class of the collection phase and a different class for the collection notebook phase.
3. The Entomology Project is transitioning from the taxonomy as listed in the “Insects in Kansas” book to the taxonomy listed in the “Insects in Kansas Book: 2016 Revised Taxonomy” which follows: www.bugguide.net.
4. Resources for exhibiting can be found on the Kansas State 4-H Website: www.kansas4-h.org/projects/agriculture-and-natural-resources/entomology.html.
5. Individual entries are to be placed in plexiglass covered wooden boxes 18” x 23” x 3.5” (maximum). Boxes can be handmade or purchased as long as they are of the correct size. See the specific phase for box and specimen number limitations.
6. During the transition, Orders & Family names should follow the taxonomy either
   a. as printed in the “Insects in Kansas Book,” or
   b. as printed in the “Insects in Kansas Book: 2016 Revised Taxonomy,” which follows www.bugguide.net.
   c. Project members are encouraged to progress towards “option b” by 2019 or as a revised “Insects in Kansas Book” is available.
7. Each exhibitor is required to identify each box with two identification labels bearing Exhibitor’s name, county or district, the collection class the 4-Her is enrolled in, and statement of taxonomy used:
   a. “Insects in Kansas Book”, or
   One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so the box can be displayed lengthwise.
8. The number of orders, specimens (and families, where required) must be included on both of the exhibitor’s box labels. Only adult specimens can be used in collection boxes; however, one female and one male of a species correctly identified can be displayed.
9. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Arrangements that run lengthwise of the box are frequently downgraded in judging. Specimens are to be arranged by Order in the box, then Family, where required. The sequence arrangement of the Orders in the box will be left up to the member. It is suggested to put the Lepidoptera and Coleoptera in the center of the collection (for Intermediate and Advanced classes to put these two orders in a box). Then work the other orders around them.
10. For each collection class, two labels will be centered on the pin beneath each specimen. First is the common name and the second label is a date/locality label. Full county name and state abbreviation on the second label is required. Collector’s name on the date/locality label is optional.
11. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Other specimens from the United States may be included as long as they are properly labeled and placed in a separate section of the box labeled “Out of State Insects.” These specimens will not be included in the count for judging/scoring. Emphasis in judging will be
placed on the overall variety of Kansas insects represented in the collection, accuracy of identification, skill, and technique acquired in mounting of specimens, and overall arrangement and appearance of the collection.

12. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.

13. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

14. Only specimens of the class insecta should be included. This means specimens from arachnids, such as spiders, millipedes, centipedes, ticks, mites, etc. will not be judged or include in overall specimen count.

15. Points will be deducted from collections and notebooks if:
   a. Non insects and out of state specimens are not in a designated “display only” area.
   b. Any specimens are not mature.

16. Champion and Reserve Champion will be selected per phase, if justified. Grand Champion and Reserve Grand Champion will be selected, if justified.

Educational Exhibits

RULES:
1. Read Entomology Rules.
2. Educational displays are to be exhibited in one standard 18” x 24” x 3.5” wooden box. Arrange display in the box so the box can be displayed lengthwise.
3. Each exhibitor is required to identify each box by placing two identification labels bearing exhibitor’s name, county or district, and the class in the box. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside).
4. Displays may consist of specialized groups of insects or their close relatives, or relate to any aspect of their behavior, biology, or ecology.
5. Displays should be presented in a clear, concise, and interesting manner.
6. Educational displays are limited to a maximum of 150 specimens and work performed during the current year.
7. Title of the exhibit should be indicated inside the box.
8. Purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc. of insects and related arthropods. Subject matter can be as varied as the animals themselves.
9. Creativity is encouraged!

Class 1300. Introductory Collection – At least 6 orders of 15 to 30 insects displayed. These collections are to be exhibited in small cardboard or plastic boxes. (One or two boxes with a total display area no more than 130 square inches.) Or you may use one standard display box, if you choose to do so. Boxes can be homemade by placing a layer of polystyrene foam in the bottom of a shoebox, school box, or storage container; or can be purchased from a biological supply company. For the exhibit, the boxes should be covered with a piece of plastic wrap or acrylic glass taped across the top of the box. No State Fair class.

Class 1301. Introductory Educational Exhibit. No State Fair class.

Class 1302. Beginning I Collection – Display in one standard box a minimum of 50 and a maximum of 125 specimens representing at least 7 different orders. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 1303. Beginning Educational Exhibit – Class for individuals that are exhibiting in the Beginning I and II Collection or Beginning Notebook classes. If only exhibiting in this category, then ages 9-12. Follow the general rules listed for the Educational Displays.

Class 1304. Beginning II Collection – Display in one standard box a minimum of 75 and a maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for Collections. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Members can exhibit in this class a maximum of 3 years or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 1305. Intermediate Collection – Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. Members can exhibit
in this class a maximum of 3 years. A 4-Her may move up if they receive a purple ribbon. In addition, family identification is required for all insects in any two of the following six orders (only two will be counted for judging):
   a. “Insects in Kansas” book – Orthoptera, Hemiptera, Hymenoptera, Coleoptera, Hymenoptera, and/or Diptera or

Class 1306. Intermediate Educational Exhibit – Class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook classes. If only exhibiting in this category, ages 11-14. Follow the general rules for Educational Displays.

Class 1307. Advanced Collection – Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for Collections. Family identification is required for all insects belonging to the six basic orders, as outlined under the intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper, list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families did you add; what Leadership you provided in this project; and/or what insects you have studied. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership.

Class 1308. Advanced Educational Display – Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook classes. If only exhibiting in this category, then ages 13 or older. Follow the general rules listed for the Educational Displays.

Group Educational Exhibit
Group educational exhibits will be displayed in the Community Center next to the 4-H Entomology Collections. Exhibit space will be limited to no more than ½ of one table. You may be asked to bring a table for your exhibit, which may not be larger than a standard square card table. Group exhibit is subject to all 4-H General Rules & Regulations, including check-in and check-out times. Display may include, but is not limited to, one standard entomology display box or a science fair display board or both. Items used in the display should be safe and non-toxic to children. No chemicals or glass containers allowed. Group exhibit is to be identified with an entry card containing: name of group, contact person’s name, address, phone number, county, and class number. Exhibit will be judged on educational content, accuracy of information, neatness, visual impact, and creativity of display.

Class 1309. Group Educational Exhibit. No State Fair class.

Entomology Collection Notebooks
RULES:
1. Individual entries are to be placed for display in a three-ring notebook for competition.
2. During the transition, Orders & Family names should follow the taxonomy of either
   a. As printed in “Insects in Kansas” book or

Project members are encouraged to progress towards option b by 2019 or as revised “Insects in Kansas” book is available.

3. 4-Hers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the Introductory Phase.

4. 4-Hers will take pictures of insects during the current 4-H year. Pictures of live insects are preferred. Insects should be photographed in the wild, where possible, but this is not required and may not be practical in all cases, especially where one wants to obtain close-up images of specific features or specific life stages of if physical handicaps limit access to insect habitats. Two pictures of each insect are preferable to help with identification: 1) a top view, and 2) a side view. One picture is acceptable if that is all that can be obtained. If pictures are taken on different dates/localities, include information on both. You may have a separate page for the female and the male of a species. If there are two color forms of a species, such as the Tiger Swallowtail female, you may have a separate page for each color form. Pictures can be no smaller than 3” x 5” and no larger than 4” x 6”. All photos in the
notebooks should be the same size.

5. Pictures of only one species of insect are to be mounted or printed on each page of the notebook. Each page will contain the following information below the pictures on each page:
   a. Order the insect belongs to
   b. For Intermediate and Advanced Phases only, Family the insect belongs to
   c. Common name of the insect
   d. Date and locality where the insect was caught
   e. Any additional notes such as host the insect was caught on, sex of insect, title and page of book insect identified from, beneficial or harmful, etc.

6. Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitor’s name, county or district, and class 4-Her is enrolled in and statement of taxonomy used:
   a. As printed in “Insects in Kansas” book or
   b. As printed in “Insects in Kansas Book: 2016 Revised Taxonomy,” which follows www.bugguide.net. The number of orders, specimens, and families (required in Intermediate and Advanced classes) must also be included on the Title Page.

7. Specimen pages should be grouped according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.

8. Date, common name, full county name, and state abbreviation should be included for each species. Collector’s name on the specimen page is optional.

9. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.

10. A divider is to be placed in front of each order of insects, with the order name printed on the tab for the page, as well as on the front of the divider page. For the Intermediate and Advanced classes, insects are also to be grouped by the family behind each order divider.

11. A 4-Her must add at least ten new species pictures each year. In addition, the 4-Her should complete at least one special project during the year. Photos and an explanation of the special project should be put in a separate section of notebook with a divider page in front labeled “Special Project.”

12. Emphasis in judging will be placed on the overall variety of Kansas insects represented in the notebook; accuracy of identification; creativity of subject matter; skill, technique, and quality in taking photos of the insects; quality of special project; and overall arrangement and appearance of the notebook.

13. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page of the notebook.

14. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.

Class 1310. Introductory Entomology Collection Notebook – Collection of photos with a minimum of 10 and a maximum of 30 insect species representing at least 6 different orders. Species pages should be grouped according to order. (Notebooks should contain 15 to 60 photos.) Follow the general guidelines listed for Notebooks, including the Special Project. A 4-H member must be of minimum age to compete at the Kansas State Fair. A 4-H member may exhibit in this class for a maximum of two years. 4-Hers in their second year of this division need to list on a sheet of paper how many years they have been in this division of the project and what you did this year to improve your project. Place this paper just behind the Title Page in the front of your notebook.

Class 1311. Beginning Entomology Collection Notebook – Collection of photos with a minimum of 20 and a maximum of 60 insect species representing at least seven different orders. Follow the general guidelines listed for all Notebooks, including Special Project. Species pages should be grouped according to order. (Notebooks should contain 50 to 120 photos.) In a separate section, 4-Hers should include pictures of different life stages or a series of specialized body parts (legs or antennae) for at least one order of insects. 4-Her may also include photos of damage or habitat in this section. A divider should be put in front of this section. List on a sheet of paper how many years you have been in this division of the project and what you did this year to improve your project. Place the paper just behind the Title
Page in the front of your notebook. A 4-Her may exhibit in this class for a maximum of three years.

Class 1312. Intermediate Collection Notebook – Collection of photos with a minimum of 60 and a maximum of 100 insect species representing at least 9 orders. Follow the general guidelines listed for Notebooks, including the Special Project. Species pages should be grouped according to order. (Notebooks should contain 100 to 200 photos.) In a separate section, 4-Hers should include pictures of different life stages or a series of specialized body parts (such as legs, antennae, specialized mouth parts, or identifying features) for at least two orders of insects. 4-Her also may include photos of damage or habitat in this section. A divider should be put in front of this section. List on a sheet of paper how many years you have been in this division of the project and what you did this year to improve your project. Place this paper just behind the Title Page in the front of your notebook. In addition, family identification is required for all insects in any two of the following six orders (Only two will be counted for judging):

a. “Insects in Kansas” book – Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or

Members can exhibit in this class for a maximum of 3 years. A 4-Her may move up if they receive a purple ribbon.

Class 1313. Advanced Collection Notebook – Collection of photos with a minimum of 100 and a maximum of 200 species representing at least 12 orders. Follow the general rules listed for Notebooks, including Special Project. Follow general guidelines listed for Notebooks. (Notebooks should contain at least 180 photos.) Species pages should be grouped according to order. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. In a separate section, 4-Hers should include pictures of different life stages or a series of specialized body parts (such as legs, antennae, specialized mouth parts, or identifying features) for at least two orders of insects. 4-Her also may include photos of damage or habitat in this section. A divider should be put in front of this section. List on a sheet of paper how many years you have been in this division of the project and what you did this year to improve your project. Place this paper just behind the Title Page in the front of your notebook. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

GEOLOGY AND LAPIDARY – DIVISION T
Superintendents: David Miller

RULES:
1. Read 4-H General Rules & Regulations.
2. Each exhibitor is required to identify each display box by placing an identification label bearing their name, county, and number of specimens in the upper left-hand corner of the plexiglass cover (inside), and by attaching a label with the same information to the lower right-hand corner of the box (outside). The inside label is to also indicate the class number.
3. Exhibitor may enter both geology and lapidary classes, only one entry per class.
4. Specimens should be labeled with the number of specimen, date collected, specimen name or description, and locality (county only) where collected.
5. For all exhibits: standard size wooden exhibit box 18” x 24” x 3.5” or a smaller 18” x 12” x 3.5” size if appropriate. All boxes must have a removable plexiglass cover. All specimens are to be arranged across the narrow (18”) dimension of the exhibit box, making the exhibit 18” wide, 24” long, and 3.5” deep. Care should be taken to select durable materials to withstand conditions at the Fair.
   a. For Lapidary classes 1332-1336 only, the dimensions of the box should be appropriate for the display but should not exceed 18” x 24” x 3.5”.
6. For the geology classes 1325, 1326, 1327, and 1328, specimens should be mounted in the box by proper groups;
rocks, minerals, fossils. Fossils must be identified to the Phylum, Class, and Genus level. Genus name is to begin with a capital letter. Species name is all lower case. Genus and species names must either be italicized or underline, not both. The words “phylum, class, genus” on labels are to be spelled out, not abbreviated.

7. For geology and mineralogy classes 1325, 1326, 1327, 1328, and 1331, all specimens must be collected (not purchased) from locations in Kansas, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa County, OK; Newton and Jasper Counties, MO. Other out of state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

8. Champion and Reserve Champion will be selected by class, if justified. Grand Champion and Reserve Grand Champion will be selected for Division T, if justified.

Geology and Archaeology

Class 1325. First time exhibitor. Collection of 15 rocks, minerals, and/or fossils collected during the current 4-H year. Exhibitor is limited to one box. Fossils must be identified to the Phylum level.

Class 1326. First or second year exhibitor. Collection of at least 30 rocks, minerals, and fossils with at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibitor is limited to one box. Fossils must be identified to the Phylum level.

Class 1327. Third or fourth time exhibitor. Collection of at least 45 rocks, minerals, and fossils with at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibitor is limited to 2 boxes. Identify the rocks as igneous, metamorphic, or sedimentary. These rock types must be spelled out on labels or have a legible key. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone). Exact species must have different formation names listed on the I.D. Card (Composita Brachiopod from Morrill Limestone, not just Brachiopod or Composita Brachiopod). Exhibit limited to two exhibit boxes. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum level.

Class 1328. Fifth time or more exhibitor. Display at least 60 rocks, minerals, or fossils, at least 5 of each. 15 must be collected during the current 4-H year. Exhibit limited to 2 boxes. Identify the rocks as igneous, metamorphic, or sedimentary. These rock types must be spelled out on labels or have a legible key.

Class 1329. Special exhibit – relating to everyday living or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Exhibit limited to 2 boxes or 4 feet of table space.

Class 1330. Archeology – Arrowhead project. Note report or other acceptable display.

Mineralogy

Class 1331. Mineralogy. Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (i.e.: Carbonates, Oxides, Silicates) at least 3 classes must be represented. The member must use one standard display box. The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected, and chemical composition (i.e.: CACO3 for calcite), if known.

Lapidary

RULES:
1. The lapidary classes will be judged on the following criteria: workmanship & content: 60 points; presentation & showmanship: 30 points; and accuracy of information: 10 points.
2. An exhibit box, smaller than the standard size, may be used for the lapidary exhibits if appropriate (18” x 12” x 3.5”). Specimens should be arranged across the 18” dimension of the exhibit box, making the exhibit 18” across the top and 12” deep.
3. All specimens should be labeled with the following information: specimen name, place of origin (country, state, or county; county required for Kansas specimens), purchased or self-collected, date lapidary treatment began, date
lapidary treatment completed (treatment completed after the State Fair is considered a new year specimen).

Class 1332. Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of “before and after,” no do they have to be self-collected. Locales must be identified. Only those exhibiting lapidary at the State Fair for the first time may enter.

Class 1333. Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-Her collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.

Class 1334. Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-Her, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 1335. Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-Her, at least two of which come from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 1336. Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

ENERGY MANAGEMENT – DIVISION U
Superintendents: Carl Dilley

SPECIAL AWARDS:
The Edna & Arthur Strobel Memorial will be provided by the Pawnee County 4-H Foundation. An award will be presented to the Grand Champion Electric Exhibit.
The Michael Steffen Memorial will be provided by the Pawnee County 4-H Foundation. An award will be presented to the Reserve Grand Champion Electric Exhibit.

RULES:
1. Read 4-H General Rules & Regulations.
2. Exhibits must check in from 11:00 a.m.-12:30 p.m. on Wednesday of the Fair.
3. No exhibitor may enter more than one article in each class for the phase in which he/she is enrolled. Label each article with owner’s name, address, name of article, and class.
4. Articles that have been in use should be cleaned for exhibit.
5. A sheet of operation instructions should be furnished for any exhibit that is not self-explanatory.
6. Exhibit should be able to be operated. If battery power is required, batteries must be furnished.
7. Any project with a complexity of size or electronics must have (a) instructions for assembly and use and (b) equipment available at the time of the judging for actual testing of the exhibit.
8. No hand dipped solder may be used on exhibits.
9. Age divisions: Junior – 11 years of age and under as of January 1, current year; Senior – 12 years of age and over as of January 1, current year.
10. Champion and Reserve Champion will be selected in the Junior and Senior Divisions, if justified. Grand Champion and Reserve Grand Champion will be selected, if justified.
11. Superintendent may combine classes at their discretion.
12. During consultative judging, 4-Hers must be the ones answering the Judge’s questions; the parents and leaders may LISTEN but not answer questions.

**Electrical and Electronics**

Class 1350. Junior AC Electric Projects. Electric projects with 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances, extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have wiring access to examine the quality and safety of workmanship.

Class 1351. Senior AC Electric Projects. Electric projects with 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances, extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have wiring access to examine the quality and safety of workmanship.

Class 1352. Junior DC Electric Projects. Electric projects with battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered projects. Examples include: wiring two or three way switches, difference between series/parallel lighting circuits or wiring doorbell switches. All DC electric projects must include batteries supplied by 4-Her. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 1353. Senior DC Electric Projects. Electric projects with battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered projects. Examples include: wiring two or three way switches, difference between series/parallel lighting circuits or wiring doorbell switches. All DC electric projects must include batteries supplied by 4-Her. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 1354. Junior Electronic Projects. Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly if from a kit. Include plans if original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 1355. Senior Electronic Projects. Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly if from a kit. Include plans if original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 1356. Junior Educational Displays & Exhibits. The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits, or science fair type projects with DO NOT have a power source, i.e. exhibits, posters, or displays of wire types, conduit types, electrical safety, tool, or motor parts identification of electrical terminology. Educational displays and exhibits must be legible from a distance of four feet, using a maximum tri-fold size of 3’ x 4’.

Class 1357. Senior Educational Displays & Exhibits. The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits, or science fair type projects with DO NOT have a power source, i.e. exhibits, posters, or displays of wire types, conduit types, electrical safety, tool, or motor parts identification of electrical terminology. Educational displays and exhibits must be legible from a distance of four feet, using a maximum tri-fold size of 3’ x 4’.
**Small Engines**

**RULES:**
1. All exhibits should involve engines smaller than 20 horsepower for classes 1358-1360.
2. Displays are limited to 4’ wide and 4’ deep, both upright and floor displays.

Class 1358. Exhibit a display, selecting one of the following options: 1) a display identifying different engine or lawn & garden equipment parts or a display showing the function of the various engine or lawn & garden equipment parts; OR 2) a display identifying and explaining the function(s) of different special tools needed for small engine work; OR 3) a display illustrating and providing the results of any one of experiments that are included in the project books.

No complete engines, lawn tractors, tillers, chainsaws are permitted for display. Maximum tri-fold size is 3’ x 4’

Class 1359. Exhibit a display that illustrates either 1) Routine maintenance procedures OR 2) Diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display. Use a maximum tri-fold size of 3’ x 4’.

Class 1360. Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by member overhauling or rebuilding the engine. Maximum tri-fold size is 3’ x 4’. Engine should contain no fuel in the tank or carburetor.

**Alternative Energy**

**RULES:**
1. Must be a form of energy derived from a natural source, such as the sun, geothermal, wind, tides, or waves.
2. All exhibits are limited in size to standard, tri-fold, display boards (36” x 48”) and items may not extend beyond 12” from the back board.
3. All displays must be self-standing.

Class 1361. Educational display. Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.

Class 1362. Experiment. Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions, and recommendations for future study.

**AGRICULTURAL MECHANICS**

**RULES:**
1. All entries must be individual projects constructed or repaired within the past two years.
2. Displays will be limited to 4-H members with project enrollment that meets the requirements for this division. Maximum trifold size is 3’ x 4’.
3. Entry time: Wednesday 11:00 a.m.-12:30 p.m.
4. For each project exhibited in Agricultural Mechanics, the exhibitor will furnish a 2’ x 3’ plywood sign covered with plastic and mounted on the crossbar of a t-rod stake with a moveable or portable base (stakes may not be driven into the ground). This sign should include individual identification which must be covered during the time of judging, the bill of materials and costs, and pictures are encouraged but not required.
5. Repair projects having adequate original finish need not be repainted.
6. Painting or spot painting is NOT allowed on projects after arrival on the fairgrounds. If wet paint is detected, 5 points will be deducted from individual score.
7. If project consists of two or more parts not essential to operation, each part will be considered and entered as a separate exhibit.
8. Agricultural Mechanics classes are not eligible for State Fair.
*Class 1363. Large Machinery & Equipment (more than $2,200 construction cost shown in bill of materials). Example: gooseneck livestock trailer, straight tongue livestock trailer, single axle trailer (8 ft or longer), grain trailer, round bale trailer, sub-soiler, car trailer. Working drawings are not allowed.

*Class 1364. Intermediate Machinery & Equipment ($800 to $2,200 construction cost shown in bill of materials).

Example: working facilities, box scrapers blades, hydraulic press, hydraulic lift trailer, cherry picker, squeeze shoot, pickup flat beds, hydraulic hoist, log splitter. Working drawings are not allowed.

*Class 1365. Small Machinery & Equipment ($100-$800 construction cost shown in bill of materials). Working drawings are not allowed.

*Class 1366. Micro-Project (Under $100 construction cost shown in bill of materials). Examples: gates, panels, feeders, yard art, hand tools. Working drawings are not allowed.

WOODWORKING – DIVISION V
Superintendents: Carl Dilley

SPECIAL AWARDS:
The Dewey Schultz Memorial will be provided by the Pawnee County 4-H Foundation. This award will be presented to the Grand Champion Woodworking Exhibit.

Doerr’s of Larned will provide an award to the Grand Champion Woodworking Exhibit.

The Michael Steffen Memorial will be provided by the Pawnee County 4-H Foundation. An award will be presented to the Reserve Grand Champion Woodworking Exhibit.

The Rick Best Memorial will be provided by the Pawnee County 4-H Foundation. An award will be presented to the Junior Champion Woodworking Exhibit.

RULES:
1. Read 4-H General Rules & Regulations.
2. Exhibits must check in from 11:00 a.m.-12:30 p.m. on Wednesday of the Fair.
3. In judging woodwork articles, consideration will be given to workmanship, design, choice of wood, suitability, and quality of finish and usefulness.
4. EACH ARTICLE EXHIBITED MUST BE ACCOMPANIED BY THE PLANS, BLUE PRINT, WORKING DRAWINGS, SKETCH, ETC., used in construction. Label each article showing the intended use. Projects with missing or insufficient plans will be lowered one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon).
   a. The plan may be a photocopy, the actual pattern or scale drawing. It must be complete and accurate to the extent that a duplicate could be built using the plan as a guide.
   b. In addition, include a list and cost of materials, plus amount of time spent on constructing and finishing the article. This list should include all wood, hardware, finishing supplies, etc.
5. The entry card, plans, and all other paperwork should be secured to the project in some manner. Tape is usually not adequate to do this. It is recommended to use a zip top plastic bag with a hole punched through it and using string to tie this to the exhibit.
6. Any project that has glass that is not secured should not be brought to the fair.
7. An exhibitor may enter 2 articles in each class.
8. Exhibits MUST be labeled with name, club, and age.
9. Designate on entry if article is original or kit construction.
10. Must state on entry card if school made.
11. Firearms and weapons are not to be entered or displayed.
12. Age divisions: Junior – 11 years of age and under as of January 1, current year; Senior – 12 years of age and over as of January 1, current year.
13. Champion and Reserve Champion will be selected in the Junior and Senior Divisions, if justified. Grand Champion
and Reserve Grand Champion will be selected, if justified.

14. Superintendent may combine classes at their discretion.

15. Qualifying repaired or refinished furniture will need to be entered in the Home Environment division of the State Fair.

16. During consultative judging, 4-Hers must be the ones answering the Judge’s questions; the parents and leaders may LISTEN but not answer questions.

Class 1375. Junior Woodwork article for farm or shop use
Class 1376. Senior Woodwork article for farm or shop use
Class 1377. Junior Lawn Furniture
Class 1378. Senior Lawn Furniture
Class 1379. Junior Household Furniture
Class 1380. Senior Household Furniture
Class 1381. Junior Other Woodwork articles not included in above classes. Ex: bird houses, bird feeders, household equipment such as knife racks, bread boards, door stops, etc.
Class 1382. Senior Other Woodwork articles not included in above classes. Ex: bird houses, bird feeders, household equipment such as knife racks, bread boards, door stops, etc.
Class 1383. Junior Piece of repaired and refinished furniture with brief explanation of work completed and attached to exhibit
Class 1384. Senior Piece of repaired and refinished furniture with brief explanation of work completed and attached to exhibit

SPACETECH: ASTRONOMY – DIVISION W
Superintendents: David Miller

RULES:
1. Read 4-H General Rules & Regulations.
2. No more than two items per class.
4. The 4-H members must be currently enrolled in the 4-H SpaceTech-Astronomy project to exhibit in this division.
5. Exhibit must have been completed during the current 4-H year.
6. Telescopes entered in this division may be built from a kit or by original design. Pre-finished telescopes, which require no construction or painting are not acceptable exhibits.
7. Telescopes are limited to no more than six feet in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot extend past two feet in length or width.
8. Each telescope exhibit must include at “4-H Astronomy Exhibit Information Form,” which should be attached to the outside of a 10” x 13” manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
9. Two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8½” x 11” page. A brief caption should accompany each photograph. Place photos in the 10” x 13” manila envelope.
10. The telescope must be properly assembled and painted with a smooth and uniform finish. Decals, if used, should be attached smooth and tight.
11. Telescopes designed by the exhibitor must be original, not a modification of an existing kit.
12. Exhibitor’s name, county, age, and year(s) in project must be tagged or labeled in a prominent location on the telescope stand, educational display, notebook, and/or poster.
13. Champion and Reserve Champion in each class will be selected, if justified. Grand Champion and Reserve Grand Champion will be selected for Division W, if justified.

Class 1400. Telescope made from a kit
Class 1401. Telescope made from original design

SPACETECH: COMPUTERS – DIVISION X
Superintendents: David Miller

PURPOSE:
The 4-H computer project teaches concepts related to computers, hardware knowledge, software programming and applications, internet safety, the building, maintenance and repair of computers, and future career opportunities. Please note that the actual construction of computer hardware (i.e., building a computer, electronic devices with a mother-board based manipulation) will remain in the Energy Management division.

RULES:
1. Read 4-H General Rules & Regulations.
2. No more than two items per class.
4. The 4-H members must be currently enrolled in the 4-H SpaceTech-Computers project to exhibit in this division.
5. Exhibit must have been completed during the current 4-H year.
6. Exhibitor’s name, county, 4-H age, and year(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
7. If the notebook illustrates the creation, talks about, or shows the result of an app, application, executable, program, or other compiled/interpreted “source code,” a copy of the source code should be included. (In other words, if you created an app for a smart phone and you’re illustrating that app, you should include the code you used to build the app.) Failure to include a copy of the “source code” may result in up to one ribbon place deduction.

COMPUTER SYSTEMS

PURPOSE:
The Kansas 4-H SpaceTech Computer Systems portion of the computer project is designed to allow 4-H members to explore how information is moved from one part of the computer to the other; how information is moved between two or more computer systems (networking); how information is stored; or how information is acted on (programming).

Any item which is not a notebook, display board, or poster displayed in this division is considered a “computer system” exhibit and MUST follow the rules set forth below.

RULES:
1. All exhibits must be self-contained on a USB drive (thumb drive, flash drive, jump drive, or any other name for a small USB storage device; the rules will use “USB drive”). This means that a judge can plug in the USB drive into a computer and be able to run the exhibit as described below. Physical computers as an exhibit will not be accepted.
2. All revisions of all forms previously released for the SpaceTech division either undated or dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year. Use of old forms will result in the loss of one ribbon placing for exhibits.
3. For all computer system entries (those not covered by the rules above), the following items are required as part of an
exhibit packet:

a. A manila envelope with the Computer Exhibit Form attached to the front, this form can be downloaded at www.KansasSpaceTech.com.

b. A USB drive labeled with the 4-Her’s name, county/district, and club; in a way that does not prevent it from being plugged into a computer.

c. At least one (1) graphic (picture, screen shot/capture, slide, etc.) of the project must be printed out on an 8.5” x 11” sheet of standard computer paper, placed in a plastic sheet protector, to allow for proper display and recognition at the Kansas State Fair. On the back side of the graphic, the 4-Her’s name, county/district, and club should be listed.

c. Instructions to run any part of the exhibit on the USB drive. (There should be at least three (3) items in your manila envelope: USB drive, graphic, and instructions.)

4. Each exhibit must be accompanied by a “4-H Engineer’s Journal.” The engineer’s journal should be typed. It can either be included electronically on the USB drive (preferred) or printed and placed in the manila envelope.

a. The “4-H Engineer’s Journal” should start with a dated entry describing what the 4-H member is trying to accomplish/build.

b. The “4-H Engineer’s Journal” should conclude with a dated entry describing what the 4-H member achieved in creating. (The start and end many times will be different. The judges are interested in the journey.)

c. Additional entries in the “4-H Engineer’s Journal” should be made as progress occurs, describing success and failures, as well as the steps done and any sources of information including links used.

d. Pictures can be included in the “4-H Engineer’s Journal” but should not be more than 50% of the entries.

e. The “4-H Engineer’s Journal” should contain at least one graphic.

f. The “4-H Engineer’s Journal” must be at least 3 pages in length.

g. An example of a “4-H Engineer’s Journal” can be found at www.KansasSpaceTech.com.

h. The “4-H Engineer’s Journal” will comprise of 50% of the overall exhibit score. Failure to include a “4-H Engineer’s Journal” will result in the exhibit being disqualified.

5. If the exhibit is a program, application, app, website, or requires any coding, the source code must be included on the USB drive.

6. Diagrams or decision trees showing the logical flow of the system must be included on the USB drive for all exhibits.

7. A set of instructions must be provided to run the computer system/application. These instructions should be printed off and included in the exhibit package and a copy should be included on the USB drive.

a. It is recommended that 4-Hers bring a computer that will run their project to the fair for judging as judges typically do not bring computers with them. Operating instructions still required.

b. Instructions should be written as though you were helping a less techy person (like a grandparent), use the USB drive with a computer similar to what is described in rule 9 below. An example of instructions can be found at www.KansasSpaceTech.com.

8. Each exhibit must accomplish a specific automated task using a computer or virtual machine (VM).

9. Kansas State Fair Judge(s) in the computer systems division will have a physical computer with the following minimum configuration:

a. Microsoft Windows® 7 – 64bit

b. Microsoft Office® Home 2010 (Excel, PowerPoint, & Word)

c. Microsoft Internet Explorer®

d. Mozilla Firefox® Browser

e. Google Chrome® Browser

f. Java for Windows

g. Adobe Acrobat Reader®

h. Apache OpenOffice®

i. VMware Player 7.0.0 Windows 64bit

10. 4-Hers should not assume that the computers in rule 9 have internet connectivity and that any parts of the exhibit that require internet access will not work. It is strongly recommended that 4-Hers test exhibits on a computer with Internet connectivity disabled.
11. Kansas 4-H SpaceTech has made available Linux Virtual Machines (VMs) that can be downloaded and used to create projects on such as web servers, networking, and many other projects. For more information on how these VMs can be leveraged or to download them visit www.KansasSpaceTech.com. 4-Hers are not required to use the VMs in their projects. They are optional.

12. All licensing should be adhered to for any software used in the exhibit. Failure to do so will result in a reduction of one ribbon placing and may not be considered for best of show.

13. The creation of viruses, malware, malicious applications or code, defamatory language or graphics, bullying, or any material that is “mean,” “dangerous,” or “harmful” according to the judge’s opinion, will result in the exhibit being disqualified.

14. Pictures or still graphics created are not eligible for entry as a project in this division and should be entered in the appropriate photography division.

15. Judging will be based on a score sheet which can be found at www.KansasSpaceTech.com. There are four (4) areas each exhibit will be judged on. They are:
   a. 4-H Engineer’s Journal (what I learned to make it work), 50% overall score
   b. Instructions (how I help others make it work), 25% overall score
   c. Functionality (does it work), 12% overall score
   d. Diagrams (and code, if applicable) (how I think it works), 13% overall score

Class 1428. Computer program, application, app, script, or coded system that is new and unique (not merely a file fun in a program, such as a ‘word document’ or a picture drawn in “Microsoft Paint.’)
Class 1429. Computer presentation (PowerPoint, webpage/site, animated graphics, etc.)
Class 1430. Single computer system (web server, database server, etc.)
Class 1431. Networked system consisting of two or more computers.

**SPACETECH: ROBOTICS – DIVISION Y**

**Superintendents: David Miller**

**RULES:**
1. Read 4-H General Rules & Regulations.
2. No more than two items per class.
4. The 4-H members must be currently enrolled in the 4-H SpaceTech-Robotics project to exhibit in this division.
5. Exhibit must have been constructed and/or completed during the current 4-H year.
6. Each robot must be free-standing, without the need for additional supports in order to be moved or exhibited.
7. Robot dimensions should not exceed 2 feet high, 2 feet wide, by 2 feet deep. Weight may not exceed 15 pounds.
8. All electric components of the robot must be adequately covered or concealed with a protective enclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
9. Robots may be powered by an electrical battery, water, air, or solar source only. Junk drawer robots may be powered by a nontraditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that could be used to inflict damage and/or harm to individuals, animal life, and/or property.
10. Remote controlled robots are allowed under certain conditions provided that the robot is not drivable. Remote controlled cars, boats, planes and/or action figures, etc. are not allowed.
11. Each robot must be in operable working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete the required tasks for this current 4-H year.
12. Each exhibitor is required to complete the “4-H SpaceTech Robotics Exhibit Information Form,” which is available through your local K-State Research and Extension office. This form must be attached to the outside of a 10” x 13” manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required;
no manila envelope is needed for these exhibits.

13. The exhibit must include written instructions for operation, construction plans, one to three pages of project photographs or a 5-minute CD, DVD, or video presentation, and robot programming information, if applicable. However, no exhibitor will be allowed to set up their robot in person. This information should be placed inside the 10” x 13” manila envelope mentioned above. The exhibitor may enter their electronic project listed under the electric program as under the SpaceTech Robotics project if the exhibitor so chooses.

14. Creativity, workmanship, and functionality will be strong criteria in judging the “Robot designed by Exhibitor” classes.

15. Exhibitor’s name(s) and county must be tagged or labeled in a prominent location on the robot, educational display, notebook and/or poster board. Sources of scientific information must be cited on the front of your exhibits, including all posters and educational display boards.

16. Team project notebooks must be organized in a 3-ring binder and should highlight information/roles of each team member, drawings, charts, photographs, goals and objectives of your robotics project, and all robotic competitions your team has competed in during the current 4-H year.

17. Champion and Reserve Champion will be selected from each class, if justified. Grand Champion and Reserve Grand Champion will be selected for Division Y, if justified.

Section A – Novice – One to Two Years in Robotics Project
Class 1450. Robot made from a commercial (purchased) kit
Class 1451. Robot designed and constructed by exhibitor or from a commercial kit that is operated by a remote controlled device
Class 1452. Junk Drawer Robotics-based curriculum robot

Section B – Intermediate – Three to Four Years in Robotics Project
Class 1456. Robot made from a commercial (purchased) kit
Class 1457. Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan
Class 1458. Programmable robot made from a commercial (purchased) kit
Class 1459. Robot designed and constructed by exhibitor or from a commercial kit that is operated by a remote controlled device
Class 1460. Junk Drawer Robotics-based curriculum robot

Section C – Professional – Five or More Years in Robotics Project
Class 1464. Robot made from a commercial (purchased) kit.
Class 1465. Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan
Class 1466. Programmable robot made from a commercial (purchased) kit
Class 1467. Robot designed and constructed by exhibitor or from a commercial kit that is operated by a remote controlled device
Class 1468. Junk Drawer Robotics-based curriculum robot

Section D – Team Robotics Project
Class 1472. Robot designed and constructed by two or more 4-H SpaceTech project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H SpaceTech members. As with many high tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project.
SPACETECH: ROCKETRY – DIVISION Z
Superintendents: David Miller

PURPOSE:
The Kansas 4-H SpaceTech Rocketry program is designed to allow 4-H members to explore aerospace through rockets of various sizes. Kansas 4-H has adopted the National Association of Rocketry’s rules, regulations, and safety guidelines.

GENERAL ROCKETRY RULES:
1. Read 4-H General Rules & Regulations.
2. No more than two items per class.
4. The 4-H members must be currently enrolled in the 4-H SpaceTech-Rocketry project to exhibit in this division.
5. Relevant documents may be obtained from County Extension Offices or from www.KansasSpaceTech.com.
6. NAR refers to the National Association of Rocketry and its governing board.
7. All NAR documents, with the exception of the “pink book,” referenced herein can be found at www.nar.org.
8. If a fire burn ban is in effect for any county in Kansas, exhibitors in any Kansas County are not required to launch their rocket(s). All requirements for launching of rockets for the state fair and the documenting of the launching are suspended for the duration of the ban.
9. Champion and Reserve Champion will be selected by age divisions, if justified. Grand Champion and Reserve Grand Champion will be selected for Division Z, if justified.

EXHIBIT DEFINITIONS FOR ALL ROCKETRY CATEGORIES:
1. As defined by the National Association of Rocketry (NAR), a scale model is “any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle.” The intent of scale modeling is, according to the NAR, “to produce an accurate, flying replica of a real rocket vehicle that exhibits maximum craftsmanship in construction, finish, and flight performance.” (NAR “Pink Book” 50.1 4-1)
2. Adult supervision is defined as being under the direction supervision of someone 18 years of age and older.
3. For the purposes of Kansas 4-H SpaceTech, a high powered rocket is defined as a rocket that meets any of the following criteria:
   a. Is 2 inches or greater in diameter (not including fins) and taller than 3 feet (36 inches including fins);
   b. Weighs more than 3.3125 pounds (53 ounces or 1500 grams) at the time of launch;
   c. Uses an “E” engine or larger to launch (2D’s, 3C’s, 8B’s, etc.);
   d. The total impulse of all engines used in the rocket is greater than 20.01 Newton-seconds of thrust.
   e. Models powered by rocket motors not classified as model rocket motors per NFPA 1122, e.g.:
      i. Average thrust in excess of 80.01 Newtons
      ii. Contains in excess of 2.2 ounces (62.5 grams) of propellant and are limited to only H and I motors
4. High power certification is defined as having successfully completed a certification program for high-powered rocketry through the NAR and maintaining that certification. This applies to all membership levels in the NAR. Specifically, the “Formal Participation Procedure” for the “Junior HPR Level 1 Participation Program” as outlined by the NAR.
5. NAR rules for launching and construction of all rockets are assumed to be used by all 4-H SpaceTech exhibitors and will be considered during judging.
6. For the purposes of Kansas 4-H SpaceTech, NO rocket may be launched using engines totaling more than an ‘I’ impulse engine or 640 Newton-seconds of total thrust.

EXHIBIT RULES FOR ALL ROCKETRY CATEGORIES
Purpose: These rules apply to how rockets are to be displayed at the fair and what those displays should and should not contain. These rules apply to all rockets displayed in the SpaceTech Rocketry division.
1. Each exhibitor may enter up to two rocket exhibits that have been constructed during the current year. If two rockets are entered, one rocket must be either a “kit” or a “rocketry educational exhibit” and the second may be entered in any other applicable class. An exhibitor may not enter two rockets in the same class.

2. The report that accompanies the rocket must be limited to the 4-H SpaceTech Rocket Exhibit Information Form, which is affixed to a 10” x 13” manila envelope. The envelope should NOT be attached to the rocket stand or rocket. This may be downloaded from www.KansasSpaceTech.com. Any rocket exhibit not including this completed envelope will be lowered one ribbon placing.

3. Plans (or a photocopy) must be placed inside the envelope.
   a. This includes original design rockets.
   b. If a rocket kit has been modified structurally, notations need to be given indicating the changes made, either by notations on the Rocket Exhibit Information Form or by placing notes in the plans.

4. One or more photographs of the rocket at the launch site are required.
   a. Photographs showing the rocket at the moment of ignition are preferred.
   b. Photographs must be mounted on one side of 8½” x 11” page(s).
   c. There must be at least 1 page of photos and no more than 5 pages of photos.
   d. Include at least one photo showing rocket construction, preferably with the exhibitor included.
   e. Do not include photos of members catching their rockets as they return to earth. This is an unsafe practice, and we do not recommend or condone this practice.

5. To exhibit in this division:
   a. The rocket must have been flown.
   b. Support rods must not extend past the tip of the highest nosecone on the model.
   c. Support rods must remain in the upright position, 90 degrees to the base, do not angle. If support rods are not perpendicular to the base, the judge should deduct two ribbon placings.
   d. No model may be submitted on a launch pad.

6. Launches should not be conducted in winds above 20 mph, and will constitute a disqualification of rocket exhibit.

7. All rockets must have a safe method of recovery, e.g., parachute, streamer or tumble recovery. Any rocket without a recovery system will be disqualified.

8. The altitude achieved by the rocket is to be determined using a method other than estimation. Examples of accepted methods include altimeter, computer software, range finders, etc. If additional space is needed to show calculations of how the altitude was achieved, one additional page may be added to the rocketry information pack.

9. Flight damage is to be documented by the participant on either the construction plans or the 4-H SpaceTech Rocket Exhibit Information Form.

10. The judging of flight damage is to be secondary to all other aspects of the model and only then may it even be considered. However, under no circumstance may flight damage be grounds for disqualification.

11. Engines and igniters, under any circumstance, ARE NOT permitted with the exhibit and constitute an immediate disqualification.

12. If an engine becomes stuck, jammed, wedged, or in any other way permanently affixed in or to a rocket and cannot be removed from the rocket, the rocket will be subject to immediate disqualification. This is because it is not possible to make a full and immediate assessment of the safety of the rocket when it is being judged and safety is paramount.

13. Engines may not be used as display stands, hollowed out or otherwise. This is a significant change from previous years’ rules. Engines used as a display stand will be subject to immediate disqualification.

14. Rocket engines should not be used to join multi-stage rockets together.
   a. Multi-stage rockets can be displayed without having the stages connected together.
   b. The different stages must be included to complete the rocketry exhibit; incomplete exhibits will be deducted at least one ribbon placing.
   c. Use of any engines to join the stages together will be subject to immediate disqualification.

15. Multi-stage rockets can be flown using just the final stage and be considered fully flown.

16. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s rocket, at the judges’
discretion, will be disqualified. All information necessary will be given to the NAR and TRIPOLI for investigation and possible revocation of membership.

CONSTRUCTION RULES FOR ALL ROCKETS
Purpose: These rules apply to the construction of all rockets displayed in the SpaceTech Rocketry division.
1. Rockets are to be properly assembled according to the assembly instructions.
2. Beginner kids with prefabricated fin assemblies and pre-finished rockets requiring no painting are not acceptable, and will be disqualified.
3. Plastic snap together fins and prefabricated fin assemblies that do not require fin alignment are not acceptable, and will be disqualified.
   a. This rule does not apply to plastic fins that must be manually aligned and do no utilize a fin alignment mechanism, including, but not limited to fin alignment rings or spacing blocks.
   b. This rule does not apply to fiberglass, Kevlar, extruded foam, composite, or wood fins; especially when used for “through-the-wall” fin attachment techniques that are common in larger rockets.
   c. In addition, plastic parts for decorative and mechanical purposes (i.e. decorative nozzles and moving landing struts) are not considered fins and can consist of plastic. Decorative nozzles, etc. need to be securely fastened and not pose a safety hazard.
4. Angles of fins must fall within a plus or minus 2-degree variation using an approved fin alignment guide (such as KSSTAC10). An official fin guide is available from www.KansasSpaceTech.com.
5. Fins should be rounded or streamlined to reduce drag on all exposed sides unless instructions indicate otherwise.
6. Fins and body tubes are to be sealed with sanding sealer and/or primer to eliminate the appearance of body grooves and wood grain.
7. Fins and launch lugs are to be filleted to reduce drag and properly secure them to the model.
8. Any seams on plastic parts are to be sanded smooth.
9. Body tubes/airframes/engine mounts can be made from suitable materials including but not limited to: reinforced paper, cardboard, phenolic resin, specialized polymer resins, fiberglass, Kevlar, or other suitable structural materials.
10. The nose cone is to fit snugly but still allow for easy removal.
11. Exhibits must be uniformly painted and smoothly finished or finished as per rocket instructions, and have decals applied smoothly.
12. Non-standard surfacing (such as textured paint) may be used if directed by the instructions, this includes scratch built rockets.
13. Models may not be judged based on their paint scheme (colors and placement on the rocket), with the exception of rockets that fit the definition of a “scale model.” All other rockets do not have to follow the suggested paint scheme, allowing the 4-Her to display maximum creativity in the finishing of their rocket.
   a. Under no circumstance is the weight given to the paint scheme to be sufficient enough, by itself, to move the model from one ribbon placing to another.
14. “Scale models” may be judged based on their paint scheme. The judge may deduct up to one ribbon placing for not following the paint scheme.
15. Scale Model Rockets are to be finished and completed with a majority (greater than 70%) of decals.

MODEL ROCKETRY GUIDELINES
Purpose: Model rockets are generally small-to-medium sized rockets that can be purchased at hobby stores or are small-to-medium sized rockets that an individual(s) builds from parts similar to those found in model rocket kits.
1. Rockets classified as high powered may not be entered in this category.
2. Each rocket must be able to stand freely by itself or be supported by a solid base, not to exceed 4-1/4” (four and one quarter inch) thick and 8” square. The exhibitor's name, county, and age must be labeled on the top of the base.
3. If the model rocket is greater than 4 feet tall, it can be displayed without a base, or displayed parallel to the ground.
with up to 3 notched blocks not to exceed 4” in height, width, and depth. The exhibitor’s name, county, and age must be labeled on the top of the base.

4. All exhibitors must comply with the NAR Model Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However, in the event that there is a modification to this code, the SpaceTech Action Team may review and implement the modified code.

ORIGINAL DESIGN ROCKET GUIDES

**Purpose:** To allow for youth to develop their own rockets (model and high powered) in a safe manner that displays maximum craftsmanship.

1. Original design rockets cannot be a modification of a pre-existing kit and must be of original design.
2. Original design rockets must be designed by the exhibitor(s).
3. Original design rockets must include detailed instructions, so that someone could construct the original designed rocket just like a kit purchased at a store. Instructions can be as many pages as needed to convey full and complete construction techniques.
4. Original design rocket instructions should not include copies of instructions in part of in whole from existing kits.
5. For a rocket entered in the original design classes, describe in the summary how the rocket was tested for stability prior to flying.
6. Up to 4 additional pages can be added to the rocketry information pack detailing the test(s) performed to insure stability. 4-Hers are strongly encouraged to provide as much detail as possible. Failure to provide adequate written documentation will result in a disqualification.

ALTERNATIVE SKINS (ages 14 & up)

**Purpose:** Alternative skins are an advanced construction technique that allows the builders of model rockets to display maximum design and creativity in their models. Alternative skins are thin coverings over a supporting skeleton that serve as the finish of a rocket as opposed to painting.

**Construction and Operating Rules and Guidelines:**

1. The General exhibit rules for ALL categories apply.
2. Use of alternative skins used for model aircraft is permitted on rockets of original design, provided adequate provisions are made to prevent the rocket from catching fire during all phases of flight.
3. When used in construction, these alternative skins should not be used as primary structure for the rocket. The rocket should still be of sound design and construction to insure safety for personnel performing launch activities as well as others who are in the nearby vicinity.

**Types of Covering**

1. Plastic shrink type coatings used for radio control model aircraft are permitted. These can be obtained from various manufacturers and hobby suppliers.
2. Other types of fabric coverings such as cloth types using coatings for stiffness are permitted as long as all of the rules set forth above are met.

**Quality of Finish:** When the above finishes are used, the following judging criteria will apply in addition to those for judging other rocketry classes.

1. Seams and transition areas will be uniform and even when they are needed in the construction.
2. Gaps and holes are not permitted in the covering, especially where the fins or other stabilizing devices meet the main body of the rocket.
3. Omission of these skins from the bottom of the rocket is permissible. Paints and other types of coatings currently used for rocketry may be substituted in these areas.
4. Alternative skins in this section may also be used in conjunction with paint on the rocket. However, care shall be taken to insure that edges of the alternative skins will not peel off in flight.
ROCKETRY CLASSES
Class 1500. Junior: 7-9 year old – Rocket made from a kit
Class 1501. Junior: 7-9 year old – Rocket designed by exhibitor
Class 1502. Intermediate: 10-13 year old – Rocket made from a kit
Class 1503. Intermediate: 10-13 year old – Rocket designed by exhibitor
Class 1504. Senior: 14 years of age & over – Rocket made from a kit
Class 1505. Senior: 14 years of age & over – Rocket designed by exhibitor
Class 1506. Rocket designed by 2 or more exhibitors: not merely a modification of an existing kit. Include original plans.
   This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished product.

HIGH POWER ROCKETRY
Purpose: To allow for improved safety and judging of rockets that meet the requirements for 4-H high power rockets.

RULES:
1. Exhibitors must be at least 14 years of age by January 1 of the current year.
2. The rules for ALL categories apply.
3. In addition to the information packet completed for all rockets, a high power information form is to be completed and placed inside of the informational packet. This may be downloaded from www.Kansas4-H.org/events-activities/fairs/kansas-state-fair/index.html. Scroll down to SpaceTech and find the “High Powered Rocket Form & Information” link.
4. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. As such, all exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However, in the event that there is a modification in this code, the SpaceTech Action Team may review and implement the modified code.
5. All rockets in this division are to be launched under adult supervision by the 4-H member who constructed the rocket.
6. If a rocket is launched using an engine(s) that has 160.1 (‘H’ engine or equivalent amount of smaller engines) Newtons-seconds or larger, adult supervision must be provided by an individual having at least a level 1 high power certification. The 4-H member should also hold or be attempting to attain their level 1 high power certification, and should include supporting documentation (a copy of Level 1 card is sufficient).
7. According to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High Power Information Form. In the case where the launch was a public event, a substitute to a copy of the waiver is the Range Safety Officer’s (RSO’s) contact information.
8. High Power Rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to exceed 4-1/4” (four and one-quarter inch) thick and 8” square. The exhibitor’s name, county or district, and age must be labeled on the base.

Class 1507. High power rocket made from kit or original design. Exhibitor must be 14 years or older.
4-H SPACETECH – UNMANNED AERIAL SYSTEMS – Division AA
Superintendents: David Miller

Purpose: The 4-H unmanned aerial systems or UAS project explores the world from above the trees and discovers new frontiers with UASs. UASs are commonly known as Unmanned Aerial Vehicles (UAVs) or drones. Members explore the uses and applications of unmanned aerial systems including how UASs link to other projects such as geology, robotics, electronics, crop science and many more.

Rules:
1. The 4-H members must be currently enrolled in the 4-H SpaceTech project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year.
3. The information that accompanies the UAS must be limited to the 4-H SpaceTech Exhibit Information Form which is affixed to a 10” x 13” envelope. This envelope should NOT be attached to the UAS. This may be downloaded from www.KansasSpaceTech.com. Any UAS exhibit not including this completed envelope will receive an automatic participation ribbon.
4. Exhibitor’s name, county or district, age, and years(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
5. Unmanned Aerial Systems that include or depict weaponry of any kind will be disqualified.
6. See the last section for full details about exhibiting posters, display boards and notebooks.
7. If modifications are made to the exhibit a page should be attached noting those modifications.
8. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s exhibit, at the judges’ discretion, will receive a participation ribbon.

Division A – Junior, 9-13 years old
Class 5701. Unmanned Aerial System designed and constructed by exhibitor that is operated by a remote controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
Class 5702. Practical application of an Unmanned Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Division B – Senior, 14 years and older
Class 5706. Unmanned Aerial Systems designed and constructed by exhibitor that is operated by a remote controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.
Class 5707. Practical application of an Unmanned Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.
4-H SPACETECH EDUCATIONAL EXHIBITS:
POSTERS, NOTEBOOKS AND DISPLAY BOARDS

DIVISION BB

Superintendent: David Miller

Purpose: To allow 4-Hers to explore SpaceTech outside the bounds of traditional projects for rockets, robotics, astronomy, computers and unmanned aerial systems. All posters, notebooks and display boards are listed in this section and have been removed from the individual sections to save space.

1. The General Exhibit rules for ALL categories apply.
2. Entries must have been selected at the county level for entry at the Kansas State Fair. Counties/Districts should select top blue or purple ribbon Educational Rocketry Exhibits which meet State Fair guidelines.
3. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.
4. Exhibits in posters, notebooks and display boards may not be just a static project, but must contain substantial supporting educational materials in the form of posters, notebooks, or display boards, etc.
5. Educational display boards, posters and notebooks should be creative and showcase details about the knowledge learned in the project during the current 4-H year. Value is placed on youth who can demonstrate how their skills have increased while completing the project. Each exhibit will be judged on uniqueness, creativity, neatness, accuracy of material, knowledge gained, and content. An exhibit judging score sheet will be available at www.kansasspacetechn.com. For example, a rocket may have crashed and/or is highly damaged that can’t be launched again may be made into an educational display or poster that tells a great story with many lessons learned.
6. Follow copyright laws, citing all sources of information in a standard notation on the “4-H Educational Rocketry Exhibit Information Form.” Additional pages can be added inside the Information Packet and should be labeled “Citations.” Sources of scientific information must be cited on the front of your exhibit, including all posters and educational display boards.
7. Educational displays are not to exceed a standard commercial 3’x 4’ tri-fold display board. No cardboard table exhibits will be allowed. Care should be taken to use durable materials that will withstand Kansas State Fair conditions.
8. “Construction Kits” that are part of Educational displays must be contained in cases (tackle boxes, sealable containers, etc.) that may not be larger than 1’ X 2’ X 2’ and must have a latch which securely keeps all components contained in the “Construction Kits”. Other components are to adhere to appropriate dimensions as stated elsewhere.
9. Educational Project notebooks must be organized in a 3-ring binder.
10. Educational posters must be no larger than a 20” X 30” poster board. Exhibitors are encouraged to laminate all posters and diagrams or cover them with clear plastic film. Any three dimensional display exhibits may not be thicker than 1”.
11. Engines and igniters in rockets ARE NOT permitted with the exhibit and constitute an immediate disqualification. This is for safety reasons and includes both spent and live engines.
12. Exhibitor’s name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the educational display, notebook, “Construction Kit,” and/or poster.
13. Exhibits should possess the following qualities (in no particular order):
   a. A Central theme
   b. What you want others to learn
   c. Be designed and constructed in a manner befitting the exhibit
d. Be something you are interested in
e. Be related to model or high power rocketry
f. And those characteristics described above.

FIBER ARTS – DIVISION II
Superintendents: Jan Reinhardt
Assistant: Janie Tupper

RULES:
1. Read 4-H General Rules & Regulations.
2. Fiber Arts is defined as any method of creating a unique design with fiber, fabric, or yarn. This may include: making fabric (such as weaving, crochet, knitting, or needlepoint); or when existing fabric is changed into something quite different (such as quilting, embroidery, or ethnic art). Ethnic Fiber Arts should use fiber, yarn, or fabric to create the design exhibit.
3. Sew or safety pin an ID label on articles.
4. 4-Her may enter up to 4 Fiber Arts exhibits. All articles/garments must be finished for use.
5. When articles are normally worn as a pair, both articles must be shown together.
6. The exhibitor should attach an index card, no larger than 3” x 5” to give the judge any information on what parts of the exhibit they made, processes used, or other information which the exhibitor thinks would be helpful to the judge. For all items, please indicate if the item was made from a kit. For knitted and crocheted items, please indicate fiber content.
7. Exhibitors are expected to be enrolled in the Fiber Arts project in which they enter.
8. There are no age-specific classes in Fiber Arts.
9. Fiber Arts Educational Notebook: Share with others what you learned in this project about a particular Fiber Art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the Fiber Art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-to’s, photographs of completed projects, or other ways of educating others about Fiber Arts. NOTE: A collection of brochures, web pages, patterns, record book forms, etc., does not constitute an educational notebook. See the copyright laws section under “General Fair Information.” Name, county, and Fiber Art covered must be clearly marked in the notebook.
10. Ethnic Arts: This is defined as a Fiber Art that is associated with a specific country or culture. It is a practical skill that was developed to provide basic family needs such as apparel, home furnishings, or decorations. It is also defined as a method that has been maintained through history and passed on to others, often by observation and by example; such as batik, Swedish huck towel weaving, mud cloth, bobbin weaving, tatting, etc. Members should attach information on the history of the ethnic Fiber Art, where it was used, by whom, how it was used, short description of technique, etc.

CLOTHING – DIVISION JJ
Superintendent: Diane Zook

SPECIAL AWARDS:
The Jennifer Otte Finger Memorial will be provided by the Pawnee County 4-H Foundation. An award will be presented to the Grand Champion Clothing Construction exhibit.
The Quilting Bees Quilting Club will provide an award to the Reserve Grand Champion Clothing Construction Exhibit.
The Mystel Graver Memorial will be provided by the Pawnee County 4-H Foundation. An award will be presented to the Champion Clothing Level II Construction exhibit.

RULES:
1. Read 4-H General Rules & Regulations.
2. All items in this division must be judged at Clothing and Fashion Revue judging on Tuesday, July 16, at the J.A. Haas Exhibit Building. The judging will be done by consultation with a judge. The 4-Her should be present at the judging, but a parent, leader, or other 4-Her could bring the item if it is impossible for the member to attend. Parents are asked to LISTEN to the judges’ comments and allow the member to answer questions asked by the judges. 4-Hers are to bring their pattern instruction sheet to the judging.
3. All items must be exhibited at the Fair in order to receive ribbons and premium money.
4. A 4-Her is not limited to number of entries.
5. Pre-cut kits are acceptable for all clothing classes. All articles/garments must be finished for use. Articles/garments may have been worn or used but shall be carefully laundered or cleaned before being exhibited.
6. Each piece must be labeled so items do not get lost. Sew or pin labels on the inside of the garment.
7. Care labels are not required. However, members should know how to care for the fabrics they purchase.
8. Educational Classes: Share with others what you have learned in this project. Exhibits may be in the form of a poster, notebook, or display. If exhibit is a poster, it must not be larger than 22” x 28”. If exhibit is a display, it must not be more than 12” high x 12” deep x 18” long. No card table displays are allowed.
9. Recycled Clothing Project: An item made of at least 50% recycled material (recycled means reusing an existing item in a new way). Could be remaking/redesigning a garment, re-purposing a clothing item for new use, etc. Must include sewing of some kind. A 3” x 5” index card MUST accompany entry describing the recycled materials and how they were used in the item.
10. If justified, a Champion and Reserve Champion will be selected for each level. A Grand Champion and Reserve Grand Champion will be selected overall.
11. Definitions:

The Lessard Family will provide a cash award to the Specialty Food Grand Champion.

**RULES:**
1. Read 4-H General Rules & Regulations.
2. Members must enter exhibits in the level in which they are enrolled (according to their age). Members may enter up to a total of 10 classes either in the phase they are enrolled in or in the additional exhibits classes. A list of suggested foods to exhibit under each class is available in the Extension Office.
3. **ALL EXHIBITS ARE REQUIRED TO HAVE A RECIPE.** A ribbon placing will be docked if the recipe is not included. Recipes in the “Foods and Nutrition Notebook” are guidelines. Similar recipes may be used, but should be age
appropriate for the member.

4. All exhibits in the foods division will be judged at an appointed consultative time. A schedule will be sent to members. The 4-Her should be present at the judging but a parent, leader, or other 4-Her could bring the items if it is impossible for the member to attend. Parents are asked to listen to the judges and allow the member to answer the questions asked by the judge.

5. Non-perishable baked items are foods that do not require refrigeration. For food safety purposes, any food with custard or dairy-based fillings or frostings (ex: cream cheese), raw eggs, flavored oils, “canned” bread or cakes in a jar, cut fresh fruit, or any food requiring refrigeration (ex: bacon) will be disqualified and not be judged in this class.

6. Alcohol is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and will not be judged.

7. Remove baked products from the pan and place on a white paper plate or on a foil-covered cardboard which has been cut to fit the size of the product. Place in a clear plastic bag. Do not wrap in plastic wrap. Pies should be in disposable 8” or 9” aluminum pans.

8. All unfrosted cakes (angel, chiffon, etc.) shall be exhibited in upright position with top crust showing, except for those cakes made with special designs, such as bundt cakes. They should have top crust down.

9. Foods in the perishable foods class will be sent home after the judging. It is the responsibility of the foods member to keep the temperatures of the food exhibit at the correct, safe temperature while transporting the food and until judging takes place.

10. All exhibits are to be labeled with a food label, available in the Extension Office. Labels should be placed on the bottom of the plate or cardboard.

11. Size of food exhibits:
   a. Exhibit 3 on a plate: cookies, rolls, muffins, biscuits, pretzels, or other small items. Should be the same identical shape and size, and from the same recipe.
   b. Exhibit whole product, uncut: quick bread loaf, specialty bread, cakes, pies, coffee cakes, cobblers, or other large items.
   c. Exhibit 1 cup of: snack mix, trail mix, granola, etc.

12. Under baked entries will be lowered one or more ribbon placings.

13. All non-perishable food items will become the property of 4-H Council and will be sold at the food sale on Thursday morning. Pies will be sold in the 4-H Food Stand. A portion of the exhibit, along with a ribbon placing sticker, will be on display during the Fair.

14. State Fair quality exhibits will be designated with a purple ribbon. A Champion and Reserve Champion will be selected in each level. Champion and Reserve Champion will be selected from the additional foods exhibits, as justified. A Grand Champion and a Reserve Grand Champion overall will be selected.

15. Champion and Reserve Champion food items from each level are eligible to sell at the Glenn Mull Family Memorial 4-H Livestock Sale. Be sure to read the rules on this sale.

16. Perishable food items do not have a corresponding State Fair Class.

Class 1866. Food Gift Package: No alcoholic beverages will be accepted. A food gift package must contain at least 3 different food items for human consumption only, prepared by the 4-Her, in a suitable container no larger than 18” x 18” x 18”. Prepared food must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included in the gift basket. The exhibitor must answer these questions:
1. What is the intended use?
2. What food safety precautions were taken during and after preparation?
Class 1867. Informal Tablesetting: Specify the occasion or meal for which tablesetting is planned. Tablesetting must be accompanied by a menu written on a 3” x 5” recipe card. Place label on back of recipe card and include exhibitor’s name, age, division, class, and 4-H Club. No State Fair class. MUST BE FAMILY OWNED.
Class 1868. Formal Tablesetting: Specify the occasion or meal for which table setting is planned. Tablesetting must be accompanied by a menu written on a 3” x 5” recipe card. Place label on back of recipe card and include exhibitor’s name, age, division, class, and 4-H Club. No State Fair class. MUST BE FAMILY OWNED.
Class 1869. Centerpiece: Must be a centerpiece made or arranged by the 4-Her (NOT BY A PROFESSIONAL). On a 3” x 5” recipe card, specify where and for what occasion the centerpiece is designed. Place label on back of recipe card and include exhibitor’s name, age, division, class, and 4-H Club. No State Fair class. MUST BE FAMILY OWNED.
Class 1870. Modified non-perishable food product. Product must be modified from original recipe to nutritionally enhance the food product. Attach one – 8 ½ X 11-inch page (front and back) that includes Original Recipe, Modified Recipe, and Narrative to describe modifications made, why modifications were made and lessons learned such as nutritive value, or changes in appearance, doneness, aroma, flavor, tenderness and/or texture. Example: a standard blueberry muffin recipe that is modified to make it gluten free.

**FOOD PRESERVATION**

**RULES:**
2. Food Preservation classes will require one jar. Recipe must include exhibitor name, recipe source, date of
publication, and altitude of residence. Homemade recipes or other untested recipes will be disqualified for safety reasons. Alcohol is not allowed as an ingredient in food preservation entries. Recipes must be from 1995 to present.

3. All exhibits must have been preserved in current 4-H year, except tomato products.
4. Exhibits must be sealed in clean, CLEAR, standard canning jars, with matching brand two-piece lids (use Ball lids on Ball jars or Kerr lids on Kerr jars, etc.) **DO NOT USE COLORED JARS, these will not be judged.** Jars must be sealed when entered. Jelly must be in half-pint or pint jars. All other products must be in pint or quart jars.
5. Each jar exhibited must be labeled with a uniform placed 1” from the base of the jar. The label must not cover the brand name of jar. Make label using adhesive mailing label or use one pre-made from the Extension Office. The label must give: class number, product, altitude of residence, canning method (water bath, weighted gauge or dial gauge pressure method), process time, pressure (psi), date processed (month & year), name, and county/district.
6. Recommended method of processing must be used. Open kettle canning and oven canning will be disqualified.
   Pickles and sweet spreads must be processed using the water bath process for the altitude of residence. Low acid products must be pressure processed properly for the altitude of the residence.
7. Sealing rings must be removable and seal will be checked. **The product WILL NOT be tasted by the judge.**
8. 4-Hers enrolled in any level may enter one in each of the food preservation classes.

**Preservation Classes**

**4-H SPIN (SPECIAL INTEREST) DEPARTMENT**

**RULES:**

1. Open only to youth enrolled in a Pawnee County 4-H SPIN Club for the current year.
2. Traditional 4-Hers must enter in the traditional 4-H Division, or Open Class, with their projects, even if they participated in the SPIN Club. This section is for 4-Hers who were ONLY in SPIN Clubs.
3. Refer to the 4-H Department for rules pertaining to your entry.
4. Every 4-H SPIN Club member will enter their project in Class 1900. Miscellaneous. At the fair, projects will be judged
according to the 4-H Rules in that specific Division.

5. All exhibits must be directly related to the SPIN Club the 4-Her participated in.
   a. These exhibits can be constructed outside of the SPIN Club timeframe as long as they are from the current year (October-September).

6. Educational Exhibit may be in the form of a poster, notebook, or display. Follow copyright laws as explained in the General Fair Information, as you are preparing your exhibit. Take care to select materials that will withstand Fair conditions.
   a. No card table displays are allowed.
   b. If the exhibit is a poster, it must not be larger than 22” x 28” and must be able to be attached to a wall, so do not use items that cannot hang.
   c. Displays are not to exceed a standard commercial 3’ x 4’ tri-fold display board. Must not require electricity.
   d. Name must be clearly marked on educational exhibits.
   e. See 4-H Division Notebooks, Posters, & Displays (Division DD) for more information.

7. Exhibits will receive 4-H ribbons and premium money based upon judge’s final decision.

8. Unless specifically stated for SPIN Club classes, all 4-H Foundation Memorials and additional awards are for traditional 4-H classes.

9. SPIN Club classes are not qualified for the Glenn Mull Family Memorial 4-H Livestock Sale for either food or livestock. If you are interested in participating in the livestock sale, please visit with the Extension Office about traditional 4-H enrollment.

10. Fair entry forms will be mailed out to the participating SPIN Club 4-Hers. The entry forms must be completed and returned to the Extension Office by 5:00 p.m. on June 28. Late entries will be docked one ribbon placing in premium money. A late entry is defined as one that is turned in after June 28 or is checked in after check in time at the Fair.

11. SPIN Club 4-Hers are eligible for premium money. This money will be available to the 4-Hers in late October in the Extension Office. Those receiving premium money will be notified.
